

HARVARD PILGRIM'S

ChoiceNet Tiered Hospitals

2016

ChoiceNet, our tiered provider network, includes thousands of Harvard Pilgrim's participating doctors and clinicians, plus 179 hospitals, who have met Harvard Pilgrim's high standards for providing quality care. You will pay different cost sharing based on a provider's assigned benefit tier.¹

When you see participating providers in a lower tier, you'll pay less. You pay more when you receive services from higher tier providers. Refer to your Harvard Pilgrim *Schedule of Benefits* to determine your plan's actual cost sharing.

If you have established relationships with certain doctors, you'll want to find out what tiers they are in before receiving care from them. Just because doctors are affiliated with certain hospitals, it doesn't mean that they'll have the same tier level. To find your doctors' tiers, visit www.harvardpilgrim.org/choicenet or call us at (800) 848-9995 for assistance. If you're already a Harvard Pilgrim member, call (888) 333-4742.

How we tier hospitals

Using national quality benchmarks, as well as plan medical expense information, we placed participating hospitals in Tier 1, Tier 2 or Tier 3.

In all three tiers, you'll find hospitals from Harvard Pilgrim's Honor Roll—recognizing local providers whose performances meet high-quality, best-in-class industry standards. This means that while all Honor Roll recipients are recognized for outstanding quality, some practices are more cost efficient than others. That's why you'll find Honor Roll recipients in the three different tiers for cost and quality performance. To learn more about Harvard Pilgrim's physician and hospital Honor Rolls, visit www.harvardpilgrim.org/pghonorroll.
