

A Timeline of Ambulances of the Brockton Fire Department

New Veterans' Ambulance being used for the first time this weekend will be stationed as usual at the Central fire station, where it is shown above, with Driver Robert J. Gould.

1955

NEW FIRE DEPARTMENT AMBULANCE READY Soon to be put in use, the new Brockton Fire Department ambulance, converted from a former Navy ambulance, is given final inspection by Chief Edward L. Burrell, left, and Master Mechanic Francis D. Dupuis, who directed repair work.

1968

BROCKTON FIRE DEPARTMENT'S NEW AMBULANCE Fire Chief Edward L. Burrell stands beside new ambulance which has arrived at Central Fire Station. The emergency unit came fully equipped and will be put into commission in

1970

EMERGENCY MEDICAL AMBULANCE - A new Fire Dept. city ambulance was dedicated recently at the Central Station. Present in the formal ceremonies were from left, David J. Sullivan, Mayor; Joseph J. Sullivan, Fire Chief; Edward L. Burrell, Fire Chief; Mayor David E. Crosby, Acting Mayor of the Office of Emergency Medical Services and Lieutenant at Large Lawrence V. McCaskey. Mayor Crosby received a \$22,000 check from the State for its share of the \$40,000 fully equipped vehicle.
