RE: 35 Sprague Street, Brockton – vacant abandoned

Attorney Zaff,

The City of Brockton Building Department is in receipt of your letter dated 1/7/20. I called the number listed at the bottom of your letterhead #14 for your office and it says invalid request. There is no #33 Sprague Street but there is a #35 Sprague Street. This office does not have any documents regarding the property being reoccupied. I have included a reoccupied form and if it is completed along with the required documents listed at the bottom of the form I can then complete the account and make the necessary adjustments.

Very truly yours,

April Sferrazza
Executive Assistant
