RE: The City of Brockton, Massachusetts Zoning District Map dated November 10, 1967, and thereafter amended, that said map be amended to reflect the following zoning change: Parcel ID 161-095, 235 E. Ashland Street I-2 (current) to C-2 Zone.

Dear Mr. Zeoli:

The Planning Board held a public hearing on April 2, 2019 regarding the above entitled change. The Board had a concern that changing zoning for one individual property owner/parcel and/or property could appear as "spot zoning" or "contract zoning".

After discussion, the Board voted unanimously to recommend the change favorably with the following proposed amendment; that the following additional parcels be included in the proposed change **161-094, 161-096, 161-097, 161-097R, 161-098, and 161-113**, as shown on the attached map. The addition of these properties will protect the existing residential zones from the possibility of any future expanded industrial uses.

Very truly yours,
