Invited: Troy Clarkson, Chief Financial Officer  
Megan Bridges, City Solicitor

- \* Solicitor Bridges states this is 2 different parcels but owned by the same person. Final piece of the eminent domain portion for this part of the project. An appraisal was performed; the value represents what will be released in terms of damages by the owner. Asking for your vote of approval on the taking.
- \* Councilor Nicastro asks about the tenants of the house.
- \* Solicitor Bridges states there was a recent event at the property that caused displacement of the tenants; which is being handled through the Mayor's office and the housing court folks.
- \* Councilor Eaniri asks about the parcels of land and the total acreage?
- \* Solicitor Bridges states that parcels themselves are not that big, it is an income property that is partially what supports the value. It is a 40-room rooming house with 2 additional apartments. The land is not even a quarter of an acre on 99 Warren. On 0 Highland it would be 6,300 square feet.
- \* Councilor Asack asks why so much money for what the property is. How did we get to this number?
- \* Solicitor Bridges states this is the best deal for Brockton. We used a certified real estate appraiser; 125 % is the baseline of the taking price. The cost supports the taking.
- \* Councilor Rodrigues asks Mr. O'Donnell the accessed value of the house?
- \* Mr. O'Donnell states around 1.8 million.
- \* Solicitor Bridges states that the price in front of you is \$159,000 over 125 % of the accessed value. What the city is getting from that is the management of a relocation plan for these tenants. It will cost more for the city. These folks who have lived in blight are going to get a second chance at wherever they're going to go.
- \* Councilor Rodrigues states we just lost an apartment to a fire and 28 people have been displaced and the city is not sticking up for them and trying to find them a place to live.
- \* Solicitor Bridges states that the city is not paying for the folks . The landlord is responsible; they are paying a per diem for their food and housing.
- \* Councilor Rodrigues states he has a problem with that.
- \* Councilor Nicastro states this company is out of state and not in the business of taking care of tenants. These tenants will fair better being relocated and we are complying with the law under eminent domain.
- \* Councilor Rodrigues states he stands by his position.

\* Councilor Monahan asks under the law we are responsible for any tenant we displace.

\* Solicitor Bridges states that is correct.

Having considered the same, motion by Councilor Rodrigues to report FAVORABLE, 2<sup>nd</sup> by Councilor Asack. Motion carried by a hand vote. Councilor Rodrigues not in favor.

Meeting adjourned at 7:52 PM
