10. From the Mayor appointing Paul Beckner of 92 Quincy St., Brockton, MA 02302 as an alternate for the Council on Aging for a three-year term, ending May 2025.
11. From the Mayor in accordance with the General Laws of Massachusetts, Chapter 44, recommending that the City Council revoke the provisions of Chapter 44, § 53F½ of the Massachusetts General Laws, ceasing the Renewable Energy Fund as an enterprise fund effective fiscal year Fiscal Year 2023.
12. From the CFO in accordance with Section 5 of Chapter 324 of the Acts of 1990, certifying that the financial resources and revenues of the City of Brockton are and will continue to be adequate to support the revocation of the provisions of Chapter 44, § 53F½ of the Massachusetts General Laws, ceasing the Renewable Energy Fund as an enterprise fund effective fiscal year Fiscal Year 2023 without a detrimental impact on the continuous provision of the existing level of municipal services. We have been working with the Division of Energy Resources (DOER) to add this project to our existing Energy Service's Contract (ESCO). This will allow for the revitalization of this project under the current ESCO. We have worked closely with the city's representatives at the Department of Revenue (DOR) and they suggested this option for simplifying our accounting of this initiative.
13. From the Mayor in accordance with the General Laws of Massachusetts, Chapter 44, recommending that the City Council authorize the total transfer of \$78,000

without a detrimental impact on the continuous provision of the existing level of municipal services. This transfer – and others like it- are the result of the recent adjustments made by the City Council to the city’s pay ordinance. All funds are being transferred from within the current operating budget.
21. From the DPW Commissioner requesting that the City Council authorize the transfer from Separation Costs for a total amount of \$50,000.00 to overtime for a total of \$50,000.00.
22. From the Mayor in accordance with the General Laws of Massachusetts, Chapter 44, recommending that the City Council authorize the transfer of \$50,000 from....
DEPARTMENT OF PUBLIC WORKS – HIGHWAY – PERSONAL SERVICES –
OTHER THAN OVERTIME to.... DEPARTMENT OF PUBLIC WORKS –
HIGHWAY – PERSONAL SERVICES - OVERTIME.
23. From the CFO in accordance with Section 5 of Chapter 324 of the Acts of 1990, certifying that the financial resources and revenues of the City of Brockton are and will continue to be adequate to support the total proposed transfer of \$50,000 from....
DEPARTMENT OF PUBLIC WORKS – HIGHWAY – PERSONAL SERVICES –
OTHER THAN OVERTIME to.... DEPARTMENT OF PUBLIC WORKS –
HIGHWAY – PERSONAL SERVICES - OVERTIME without a detrimental impact on the continuous provision of the existing level of municipal services. Much like the recent similar transfers in water and sewer, these transfers are necessary to cover expenses due to staffing and emergency needs in the department.
24. From the Mayor in accordance with the General Laws of Massachusetts, Chapter 44, recommending that the City Council authorize the total appropriation of \$16,000,000 using the attached form of order with language as recommended by Attorney Richard Manley of Locke Lord, LLP, the City’s bond counsel, in order to provide funding through borrowing said amount, for the purpose of paying costs of the designing, reconstructing and rehabilitating the City’s sewer system.
25. From the CFO in accordance with Section 5 of Chapter 324 of the Acts of 1990, certifying that it is my professional opinion, after an evaluation of all pertinent financial information reasonably available, that the financial resources and revenues of the City of Brockton are and will continue to be adequate to support the proposed appropriation of and borrowing authorization for \$16,000,000, for the purpose of paying costs of the designing, reconstructing and rehabilitating the City’s sewer system without a detrimental impact on the continuous provision of the existing level of municipal services. We have worked closely with DPW Commissioner Pat Hill to develop a long-range debt management program which has been provided to you. This project fits within that plan without creating further pressure on rates.
26. From the Mayor in accordance with the General Laws of Massachusetts, Chapter 44, recommending that the City Council authorize the total appropriation of \$600,000 using the attached form of order with language as recommended by Attorney Richard Manley of Locke Lord, LLP, the City’s bond counsel, in order to provide funding through borrowing said amount, for the purpose of conducting a lead service line inventory and creating a detailed electronic database and map of the City’s water service lines.
27. From the CFO in accordance with Section 5 of Chapter 324 of the Acts of 1990, certifying that it is my professional opinion, after an evaluation of all pertinent financial information reasonably available, that the financial resources and revenues of the City of

Brockton are and will continue to be adequate to support the proposed appropriation of and borrowing authorization for \$600,000, for the purpose of conducting a lead service line inventory and creating a detailed electronic database and map of the City's water service lines without a detrimental impact on the continuous provision of the existing level of municipal services. This project has been approved by the Massachusetts Department of Environmental Protection (DEP) for funding through the State Revolving Fund (SRF) and may be eligible for further subsidies through the Bipartisan Infrastructure Law (BIL).

28. From the Mayor in accordance with the General Laws of Massachusetts, Chapter 44, recommending that the City Council authorize the total appropriation of \$34,800,000 using the attached form of order with language as recommended by Attorney Richard Manley of Locke Lord, LLP, the City's bond counsel, in order to provide funding through borrowing said amount, for the purpose of paying costs designing, constructing, equipping and furnishing an advanced water reclamation facility (AWRF) necessary for the efficient disposal of biosolids, which project will include, but not be limited to, demolition of the existing incinerator, installation of new sludge thermal dryers, sludge conveyance equipment and all other ancillary systems and any other related repairs and upgrades to the AWRF.
29. From the CFO in accordance with Section 5 of Chapter 324 of the Acts of 1990, certifying that the financial resources and revenues of the City of Brockton are and will continue to be adequate to support the proposed appropriation of and borrowing authorization for \$34,800,000 for the purpose of pay costs of designing, constructing, equipping and furnishing an advanced water reclamation facility (AWRF) necessary for the efficient disposal of biosolids, which project will include, but not be limited to, demolition of the existing incinerator, installation of new sludge thermal dryers, sludge conveyance equipment and all other ancillary systems and any other related repairs and upgrades to the AWRF without a detrimental impact on the continuous provision of the existing level of municipal services. We have conducted a detailed financial analysis of the impact of this project. The City of Brockton currently spends more than \$2 million annually disposing of biosolids from the AWRF. The principle and interest costs for this project will actually result in an annual net savings, due to the principle forgiveness through the State Revolving Fund (SRF). In addition, the potential for additional principle forgiveness through the Bipartisan Infrastructure Law (BIL) may result in further annual savings.
30. From the Mayor in accordance with the General Laws of Massachusetts, Chapter 44, recommending that the City Council authorize the transfer of \$247,495 from.... CERTIFIED FREE CASH to.... BROCKTON POLICE DEPARTMENT - CAPITAL VEHICLES.
31. From the CFO in accordance with Section 5 of Chapter 324 of the Acts of 1990, certifying that the financial resources and revenues of the City of Brockton are and will continue to be adequate to support the total proposed transfer of \$297,495 from.... CERTIFIED FREE CASH to.... BROCKTON POLICE DEPARTMENT - CAPITAL VEHICLES without a detrimental impact on the continuous provision of the existing level of municipal services. The procurement of police vehicles has been one of the results of the supply chain challenges of the pandemic. Recently, the police department became aware of the potential availability of vehicles, resulting in this order. Although other vehicles will be ordered as part of the capital plan, these purchases fill immediate needs.
32. From the DPW Commissioner requesting the City Council authorize the transfer of snow removal for a total amount of \$635,456.00 to Capital Budget for a total amount of \$635,456.00.
33. From the Mayor in accordance with the General Laws of Massachusetts, Chapter 44, recommending that the City Council authorize the transfer of \$635,456.00 from.... DEPARTMENT OF PUBLIC WORKS- HIGHWAY- PURCHASE OF SERVICES to.... DEPARTMENT OF PUBLIC WORKS- HIGHWAY- CAPITAL. These funds will be used for the purchase of snow and ice removal equipment.

34. From the CFO in accordance with Section 5 of Chapter 324 of the Acts of 1990, certifying that the financial resources and revenues of the City of Brockton are and will continue to be adequate to support the total proposed transfer of \$635,456.00 from.... DEPARTMENT OF PUBLIC WORKS- HIGHWAY- PURCHASE OF SERVICES to.... DEPARTMENT OF PUBLIC WORKS- HIGHWAY- CAPITAL without a detrimental impact on the continuous provision of the existing level of municipal services.
35. From the Superintendent of Buildings requesting authorization of funds up to \$1.4 million from the vacant & abandoned revolving fund for the demolition of (10) buildings including the (2) buildings for the Public safety Building.
36. From the Mayor in accordance with the General Laws of Massachusetts, Chapter 44, I hereby recommend that the City Council authorize the transfer of \$1,400,000 from.... PUBLIC PROPERTY- VACANT AND ABANDONED BUILDING REVOLVING FUND to.... PUBLIC PROPERTY - CAPITAL.
37. From the CFO in accordance with Section 5 of Chapter 324 of the Acts of 1990, certifying that the financial resources and revenues of the City of Brockton are and will continue to be adequate to support the total proposed transfer of \$1,400,000 from.... PUBLIC PROPERTY- VACANT AND ABANDONED BUILDING REVOLVING FUND to.... PUBLIC PROPERTY - CAPITAL without a detrimental impact on the continuous provision of the existing level of municipal services. A team of Brockton officials, including City Solicitor Megan Bridges and Superintendent of Buildings James Plouffe, have worked with the Mayor to develop a list of buildings that need to be razed in the public interest. The list of buildings is attached to this order. This list includes buildings proximate to the planned Public Safety Building.
38. From the DPW Commissioner requesting transfer of snow Removal for a total amount of \$48,011.95 to snow Overtime for a total amount of \$48,011.95.
39. From the Mayor in accordance with the General Laws of Massachusetts, Chapter 44, recommending that the City Council authorize the transfer of \$48,011.95 from.... DEPARTMENT OF PUBLIC WORKS – HIGHWAY – PERSONAL SERVICES – SNOW REMOVAL to.... DEPARTMENT OF PUBLIC WORKS – HIGHWAY – PERSONAL SERVICES – OTHER THAN OVERTIME.
40. From the CFO in accordance with Section 5 of Chapter 324 of the Acts of 1990, certifying that the financial resources and revenues of the City of Brockton are and will continue to be adequate to support the total proposed transfer of \$48,011.95 from.... DEPARTMENT OF PUBLIC WORKS – HIGHWAY – PERSONAL SERVICES – SNOW REMOVAL to.... DEPARTMENT OF PUBLIC WORKS – HIGHWAY – PERSONAL SERVICES – OTHER THAN OVERTIME without a detrimental impact on the continuous provision of the existing level of municipal services. Much like the recent similar transfers in water and sewer, these transfers are necessary to cover expenses due to staffing and emergency needs in the department.
