

Benefit Handbook

THE HARVARD PILGRIM CHOICENET BEST BUY HMO FOR *SELF-INSURED MEMBERS* *MASSACHUSETTS*

This benefit plan is provided to you by your employer on a self-insured basis. Harvard Pilgrim Health Care has arranged for the availability of a network of health care providers and will be performing various administration services, including claims processing, on behalf of the Plan Sponsor. Although some materials may reference you as a member of one of Harvard Pilgrim's products, Harvard Pilgrim Health Care is not the issuer, insurer or provider of your coverage.

Important Notice: This plan **may** utilize a limited provider network which provides access to a network that is smaller than Harvard Pilgrim's full provider network. If your Plan utilizes a Limited Network, it will be stated at the top of your Schedule of Benefits.

IMPORTANT NOTICE: This plan includes a tiered provider network called the "ChoiceNet" Network. In this plan, Members pay different levels of Copayments, Coinsurance or Deductibles depending on the tier of the provider delivering a covered service or supply. This plan may make changes to a Plan Provider's benefit tier annually on January 1. Please consult the HPHC ChoiceNet Provider Directory or visit the provider search tool at www.harvardpilgrim.org to determine the tier of Plan Providers in the ChoiceNet Network.

INTRODUCTION

Welcome to The Harvard Pilgrim ChoiceNet Best Buy HMO *for Self-Insured Members* (the Plan). Thank you for choosing us to help meet your health care needs. Your benefits are provided by your Plan Sponsor, generally an employer or union. Harvard Pilgrim Health Care (Harvard Pilgrim or HPHC) administers the plan's benefits on behalf of your Plan Sponsor.

Your health care under the Plan is administered by HPHC through its affiliated network of Primary Care Providers, specialists and other Plan Providers. Some Plans may be subject to a network smaller than HPHC's full provider network. To determine whether or not your Plan has a Limited Network, please see your Schedule of Benefits.

This is a self-insured health benefits plan for the Plan Sponsor's employees and their dependents. The Plan Sponsor has assumed financial responsibility for this Plan's health care benefits. This type of funding, known as self-funding, allows the Plan Sponsor to self-insure the health care costs associated with its employees with its own resources. HPHC will perform benefits and claims administration, and case management services on behalf of the Plan Sponsor as outlined in this Benefit Handbook and your Schedule of Benefits. HPHC is not, however, the insurer of your coverage.

When we use the words "we," "us," and "our" in this Handbook, we are referring to Harvard Pilgrim Health Care. When we use the words "you" or "your" we are referring to Members as defined in the Glossary.

These services must be provided or arranged by your PCP, except as described in section *I.E.1. Your PCP Manages Your Health Care*.

I. How the Plan Works

This section describes how to use your Benefit Handbook and how your coverage works under the The Harvard Pilgrim ChoiceNet Best Buy HMO for Self-Insured Members.

A. HOW TO USE THIS BENEFIT HANDBOOK

1. Why This Benefit Handbook Is Important

This Benefit Handbook, the Schedule of Benefits, the Prescription Drug Brochure (if your Plan includes our outpatient pharmacy coverage) and any applicable riders make up the agreement stating the terms of the Plan. If you have any questions about Dependent eligibility, we recommend that you see your Plan Sponsor for information.

The Benefit Handbook describes how your membership works. It explains what you must do to obtain coverage for services and what you can expect from Harvard Pilgrim and the Plan. It's also your guide to the most important things you need to know, including:

- Covered Benefits
- Exclusions
- The requirement to receive services from a Plan Provider
- The requirement to go to your PCP for most services

You can view your Benefit Handbook, Schedule of Benefits, Prescription Drug Brochure (if your Plan includes our outpatient pharmacy coverage) and any applicable riders online by using **your secure online account** at www.harvardpilgrim.org.

2. Words With Special Meaning

Some words in this Handbook have a special meaning. These words are capitalized and are defined in the *Glossary*.

3. How To Find What You Need To Know

This Handbook's Table of Contents will help you find the information you need. The following is a description of some of the important sections of the Handbook.

We put the most important information first. For example, this section explains important requirements for coverage. By understanding Plan rules, you can avoid denials of coverage.

Benefit details are described in section *III. Covered Benefits* and are in the same order as in your Schedule of Benefits. You must review section *III. Covered Benefits* and your Schedule of Benefits for a complete understanding of your benefits.

B. HOW TO USE YOUR CHOICENET PROVIDER DIRECTORY

The ChoiceNet Provider Directory identifies the Plan's PCPs, specialists, hospitals and other Plan Providers you must use for most services. It lists providers by state and town, specialty, and languages spoken. If you are a Member of a Limited Network Plan (which will be stated in your Schedule of Benefits), the Provider Directory will list only those Plan Providers that participate in your Network. You may view the ChoiceNet Provider Directory online at our website, www.harvardpilgrim.org. You can also get a copy of the ChoiceNet Provider Directory, free of charge, by calling the Member Services Department at **1-888-333-4742**.

The online ChoiceNet Provider Directory enables you to search for providers by name, gender, specialty, hospital affiliations, languages spoken and office locations. You can also obtain information about whether a provider is accepting new patients. Because it is updated in accordance with state and Federal laws, the information in the online directory will be more current than the paper directory.

You may access the physician profiling site maintained by the Commonwealth of Massachusetts Board of Registration in Medicine at www.mass.gov/orgs/board-of-registration-in-medicine.

Please Note: Plan Providers participate through contractual arrangements that can be terminated either by a provider or by HPHC. In addition, a provider may leave the network because of retirement, relocation or other reasons. This means that we cannot guarantee that the Plan Provider you choose will continue to participate in the network for the duration of your membership. If your PCP leaves the network for any reason, we will make every effort to notify you at least 30 days in advance, and will help you find a new Plan Provider. Under certain circumstances you may be eligible for transition services if your provider leaves the network. Please see section *I.G. SERVICES PROVIDED BY A DISENROLLED OR NON-PLAN PROVIDER* for details.

C. TIERED NETWORK PLAN

This Plan has a network of providers in which hospitals and physicians have been placed into 3 benefit levels or Tiers. Harvard Pilgrim determined its tiers by using standard analytical techniques to evaluate network PCPs, specialists and hospitals. Based on this evaluation, providers are grouped into three levels, known as Tier 1, Tier 2 and Tier 3.

You may obtain a list of hospitals and physicians and their tier placements through Harvard Pilgrim's online ChoiceNet Provider Directory at www.harvardpilgrim.org. You may also obtain a paper copy of the directory, free of charge, by calling Harvard Pilgrim's Member Services Department at **1-888-333-4742**.

Tiering of providers is determined by cost efficiency standards and nationally recognized quality of care benchmarks. Cost efficiency is evaluated by comparing how much it cost doctors and hospitals to treat patients for similar conditions. Quality of care is evaluated based on standards derived from clinical guidelines for care. The tier associated with a hospital or physician determines your Member Cost Sharing for Covered Benefits, including Deductibles and Copayments. Tier 1 is the lowest cost tier. Tier 2 is the medium cost tier. Tier 3 is the highest cost tier.

Harvard Pilgrim evaluated PCPs and specialists based on the performance of the physician's medical group. Physicians who are not affiliated with a medical group, or for whom insufficient data is available, were placed in Tier 2.

Hospitals within the Harvard Pilgrim network were evaluated based on the individual hospital's performance.

- **Tier 1 Providers** – Includes PCPs, specialists and hospitals that met both Harvard Pilgrim's cost efficiency and quality benchmarks.
- **Tier 2 Providers** – Includes PCPs, specialists and hospitals that have moderate cost efficiency benchmark scores. Tier 2 providers also include PCPs and specialists not affiliated with a medical group or where there was insufficient data available.
- **Tier 3 Providers** – Includes PCPs, specialists and hospitals with the lowest cost efficiency benchmark scores

Any changes to tier placement for providers are made in January of each year. Harvard Pilgrim will not increase the tier placement of providers from

January through the following December of each year. However, Harvard Pilgrim may reduce the tier placement of a provider any time during the year.

Because Member Cost Sharing is dependent upon the tier placement of a doctor or hospital, you will have lower out-of-pocket costs when you select providers from lower tiers. You should consider a provider's tier and where the provider has hospital admitting privileges before selecting a PCP or specialist. For example, if you require hospital care and your Tier 1 PCP refers you to a Tier 1 hospital, you would pay the lowest out-of-pocket costs for both your physician and hospital care. However, if your Tier 1 PCP were to refer you to a Tier 3 hospital, you would pay the lowest out-of-pocket costs for physician services but the highest out-of-pocket costs for hospital care.

Only acute care hospitals, Primary Care Physicians (PCPs) and medical specialists that are Plan Providers are assigned to one of three tiers. All other covered providers, including providers covered under the Plan's benefit for mental health services, are always assigned to Tier 1.

Please Note: When care cannot be provided by a Plan Provider, HPHC will apply the highest Tier listed in your Schedule of Benefits for covered services.

D. MEMBER OBLIGATIONS

1. Choose a Primary Care Provider (PCP)

When you enroll in the Plan you must choose a Primary Care Provider (PCP) for yourself and each covered person in your family. You may choose a different PCP for each family member. If you do not choose a PCP when you first enroll, or if the PCP you select is not available, we will assign a PCP to you.

A PCP may be a physician, a physician assistant or a nurse practitioner specializing in one or more of the following specialties: internal medicine, adult medicine, adolescent medicine, geriatric medicine, pediatrics or family practice. PCPs are listed in the ChoiceNet Provider Directory. You can access our website at www.harvardpilgrim.org or call the Member Services Department to confirm that the PCP you select is available.

If you have not seen your PCP before, we suggest you call your PCP for an appointment. **Please do not wait until you are sick.** Your PCP can take better care of you when he or she is familiar with your health history.

You may change your PCP at any time. Just choose a new PCP from the ChoiceNet Provider Directory. You can change your PCP online by using **your secure online account** at www.harvardpilgrim.org or by calling the Member Services Department. The change is effective immediately.

2. Obtain Referrals to Specialists

In order to be eligible for coverage by the Plan, most care must be provided or arranged by your PCP. For more information, please see section *I.E. HOW TO OBTAIN CARE*.

If you need to see a specialist, you must contact your PCP for a Referral prior to the appointment. In most cases, a Referral will be given to a Plan Provider who is affiliated with the same hospital as your PCP or who has a working relationship with your PCP. Referrals to Plan Providers must be given in writing.

3. Show Your Identification Card

You should show your identification (ID) card every time you request health services. If you do not show your ID card, the Plan Provider may not bill us for Covered Benefits, and you may be responsible for the cost of the service. You can order a new ID card online by using **your secure online account** at www.harvardpilgrim.org or by calling the Member Services Department.

4. Share Costs

You are required to share the cost of Covered Benefits provided under the Plan. Your Member Cost Sharing may include one or more of the following:

- Copayments
- Coinsurance
- Deductibles

As a tiered network plan, Member Cost Sharing amounts for Covered Benefits provided by PCPs, specialists or hospitals is dependent upon the tier placement of the provider.

Your Plan also has an Out-of-Pocket Maximum that limits the amount of Member Cost Sharing you will be required to pay. Your specific Member Cost Sharing responsibilities are listed in your Schedule of Benefits. See section *Glossary* for more information on Copayments, Coinsurance, Deductibles and Out-of-Pocket Maximums.

5. Be Aware that your Plan Does Not Pay for All Health Services

There may be health products or services you need that are not covered by the Plan. Please review section

IV. Exclusions for more information. In addition, some services that are covered by the Plan are limited. Such limitations are needed to maintain reasonable premium rates for all Members. Please see your Schedule of Benefits for any specific limits that apply to your Plan.

E. HOW TO OBTAIN CARE

IMPORTANT POINTS TO REMEMBER

- 1) You and each Member of your family must select a PCP.
- 2) Your Plan has a tiered network comprised of Tier 1, Tier 2 and Tier 3 providers.
- 3) Tiering of providers applies to all PCPs, specialists and hospitals.
- 4) For tiered services, Member Cost Sharing (Deductibles and Copayments) is lowest for Tier 1 providers and highest for Tier 3 providers.
- 5) In order to receive Covered Benefits you must use Plan Providers in your Network, except as noted below.
- 6) If you need care from a specialist, you must contact your PCP for a Referral. For exceptions, see section *I.E.7. Services That Do Not Require a Referral*.
- 7) In the event of a Medical Emergency, you should go to the nearest emergency facility or call 911 or other local emergency number. You do not need a Referral for Medical Emergency Services.

1. Your PCP Manages Your Health Care

When you need care, call your PCP. In order to be eligible for coverage by the Plan, most services must be provided or arranged by your PCP. The only exceptions are:

- Care in a Medical Emergency.
- Care when you are temporarily traveling outside of the state where you live as described below.
- Mental health and substance use disorder treatment, which may be arranged by calling the Behavioral Health Access Center at **1-888-777-4742**. The telephone number for the Behavioral Health Access Center is also listed on your ID card. Please see section *III. Covered Benefits, Mental Health and Substance Use Disorder Treatment* for information on this benefit.

- Special services that do not require a Referral that are listed in section *I.E.7. Services That Do Not Require a Referral*.

Either your PCP or a covering Plan Provider is available to direct your care 24 hours a day. Talk to your PCP and find out what arrangements are available for care after normal business hours. Some PCPs may have covering physicians after hours and others may have extended office or clinic hours.

You may change your PCP at any time. Just choose a new PCP from the ChoiceNet Provider Directory. You can change your PCP online by using **your secure online account** at www.harvardpilgrim.org or by calling the Member Services Department. The change is effective immediately. If you select a new PCP, all Referrals from your prior PCP become invalid. Your new PCP will need to assess your condition and provide new Referrals.

2. Referrals for Hospital and Specialty Care

When you need hospital or specialty care, you must first call your PCP, who will coordinate your care. Your PCP generally uses one hospital for inpatient care. This is where you will need to go for coverage, unless it is Medically Necessary for you to get care at a different hospital.

When you need specialty care, your PCP will refer you to a Plan Provider who is affiliated with the hospital your PCP uses. This helps your PCP coordinate and maintain the quality of your care. Please ask your PCP about the Referral networks that he or she uses.

If the services you need are not available through your PCP's referral network, your PCP may refer you to any Plan Provider. If you or your PCP has difficulty finding a Plan Provider who can provide the services you need, we will assist you. For help finding a medical provider, please call **1-888-333-4742**. For help finding a mental health or substance use disorder treatment provider, please call **1-888-777-4742**. If no Plan Provider has the professional expertise needed to provide the Medically Necessary Covered Benefit, we will assist you in finding an appropriate Non-Plan Provider. In these instances, Prior Approval will be required in order to receive services from a Non-Plan Provider.

Plan Providers with recognized expertise in specialty pediatrics are covered with a Referral from your PCP. Pediatric mental health care may be obtained by calling the Behavioral Health Access Center at **1-888-777-4742**.

Your PCP may authorize a standing Referral with a specialty care provider when:

- 1) The PCP determines that the Referral is appropriate;
- 2) The specialty care provider agrees to a treatment plan for the Member and provides the PCP with necessary clinical and administrative information on a regular basis; and
- 3) The services provided are Covered Benefits as described in this Handbook and your Schedule of Benefits.

There are certain specialized services for which you will be directed to a Center of Excellence for care. Please see section *I.E.4. Centers of Excellence* for more information.

Certain specialty services may be obtained without involving your PCP. For more information please see section *I.E.7. Services That Do Not Require a Referral*.

3. Using Plan Providers

Covered Benefits must be received from a Plan Provider in your Network to be eligible for coverage. However, there are specific exceptions to this requirement. Covered Benefits from a provider who is not a Plan Provider will be covered if one of the following exceptions applies:

- 1) The service was received in a Medical Emergency. (Please see section *I.E.5. Medical Emergency Services* for information on your coverage in a Medical Emergency.)
- 2) The service was received while you were outside of the state where you live and coverage is available under the benefit for temporary travel. Please see section *I.E.6. Coverage for Services When You Are Temporarily Traveling Outside of the State Where You Live* for information on this benefit.
- 3) No Plan Provider has the professional expertise needed to provide the Medically Necessary Covered Benefit. In this case, services by a Non-Plan Provider must be authorized in advance by us, unless one of the exceptions above applies.
- 4) Your physician is disenrolled as a Plan Provider or you are a new Member of the Plan, and one of the exceptions stated in section *I.G. SERVICES PROVIDED BY A DISENROLLED OR NON-PLAN PROVIDER* applies. Please refer to that section for the details of these exceptions.

Please Note: A Surprise Bill is an unexpected bill received from a Non-Plan Provider, that you did not knowingly select, who provided services to you while you were receiving covered services from a Plan Provider or facility. If you receive a Surprise Bill, you are only responsible for the applicable Member Cost Sharing that would apply if the covered service was provided by a Plan Provider, unless you had a reasonable opportunity to choose to have the service performed by a Plan Provider.

To find out if a provider is in the Plan network, see the ChoiceNet Provider Directory. The ChoiceNet Provider Directory is available online at www.harvardpilgrim.org or by calling our Member Services Department at 1-888-333-4742.

4. Centers of Excellence

Certain specialized services are only covered when received from designated Plan Providers with special training, experience, facilities or protocols for the service. We refer to these Plan Providers as “Centers of Excellence.” Centers of Excellence are selected by us based on the findings of recognized specialty organizations or government agencies such as Medicare.

In order to receive benefits for the following service, you must obtain care at a Plan Provider that has been designated as a Center of Excellence:

- Weight loss surgery (bariatric surgery)

Important Notice: No coverage is provided for the service listed above unless it is received from a Plan Provider that has been designated as a Center of Excellence. To verify a provider’s status, see the ChoiceNet Provider Directory. The ChoiceNet Provider Directory is available online at www.harvardpilgrim.org or by calling our Member Services Department at 1-888-333-4742.

We may revise the list of services that must be received from a Center of Excellence upon 30 days’ notice to Members. Services or procedures may be added to the list when we identify services in which significant improvements in the quality of care may be obtained through the use of selected providers. Services or procedures may be removed from the list if we determine that significant advantages in quality of care will no longer be obtained through the use of a specialized panel of providers.

5. Medical Emergency Services

In a Medical Emergency, including an emergency related to a substance use disorder or mental health condition, you should go to the nearest emergency

facility or call 911 or other local emergency number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing is listed in your Schedule of Benefits. Please remember that if you are hospitalized, you must call the Plan at **1-888-333-4742** within 48 hours or as soon as you can. This telephone number can also be found on your ID card. If notice of hospitalization is given to the Plan or PCP by an attending emergency physician no further notice is required. Your PCP will help to arrange for any follow-up care you may need. See the *Glossary* for additional information on Medical Emergency Services.

6. Coverage for Services When You Are Temporarily Traveling Outside of the State Where You Live

When you are temporarily traveling outside of the state where you live, the Plan covers urgently needed Covered Benefits for sickness or injury. You do not have to call your PCP before getting care. However, the following services are not covered:

- Care you could have foreseen the need for before traveling outside of the state where you live;
- Routine examinations and preventive care, including immunizations;
- Childbirth and problems with pregnancy after the 37th week of pregnancy, or after being told that you were at risk for early delivery; and
- Follow-up care that can wait until your return.

If you are hospitalized, you must call HPHC at **1-888-333-4742** within 48 hours, or as soon as you can. This telephone number can also be found on your ID card. If notice of hospitalization is given to HPHC or your PCP by an attending emergency physician no further notice is required. Your PCP will help to arrange for any follow-up care you may need.

You must file a claim whenever you obtain services from a Non-Plan Provider. For more information, please see section V. *Reimbursement and Claims Procedures*. Member Cost Sharing amounts will be applied as listed in your Schedule of Benefits.

7. Services That Do Not Require a Referral

While in most cases you will need a Referral from your PCP to get covered care from any other Plan Provider, you do not need a Referral for the services listed below. However, you must get these services from a Plan Provider. Plan Providers are listed in the ChoiceNet Provider Directory. We urge you to keep your PCP informed about such care so that your medical records are up-to-date and your PCP is aware of your entire medical situation.

F. MEMBER COST SHARING

Below are descriptions of Member Cost Sharing that may apply under the Plan. There may be two types of office visit cost sharing that apply to your Plan: a lower cost sharing known as “Primary Care Cost Sharing” and a higher cost sharing known as “Specialty and Hospital Based Care Cost Sharing.” Member Cost Sharing may include Copayments, Coinsurance, or Deductible amounts, as described throughout this section. See your Schedule of Benefits for Cost Sharing details that are specific to your Plan.

1. Copayment

A Copayment is a fixed dollar amount that you must pay for certain Covered Benefits. Copayments are due at the time of service or when billed by the provider. There may be two types of office visit Copayments that apply to your Plan: a lower Copayment known as “Primary Care Copayment” and a higher Copayment known as “Specialty and Hospital Based Care Copayment.”

Your Plan may have other Copayment amounts. For more information about Copayments under your Plan, including your specific Copayment requirements, please refer to your Schedule of Benefits.

2. Deductible

A Deductible is a specific dollar amount that is payable by a Member for Covered Benefits received each Plan Year or Calendar Year before any benefits subject to the Deductible are payable by the Plan. If a family Deductible applies, it is met when any combination of Members in a covered family incur expenses for services to which the Deductible applies. Deductible

amounts are incurred on the date of service. You may have different Deductibles that apply to different Covered Benefits under your Plan. If a Deductible applies to your Plan, it will be listed in your Schedule of Benefits.

If your Plan has a Deductible, it will have both an individual Deductible and a family Deductible. However, please note that a family Deductible only applies if you have Family Coverage. Unless a family Deductible applies, you are responsible for the individual Deductible for Covered Benefits each Plan Year or Calendar Year. If you are a Member with Family Coverage, the Deductible can be satisfied in one of two ways:

- a. If a Member of a covered family meets an individual Deductible, then that Member has no additional Deductible Member Cost Sharing for Covered Benefits for the remainder of the Plan Year or Calendar Year.
- b. If any number of Members in a covered family collectively meet the family Deductible, then all Members of the covered family have no additional Deductible Member Cost Sharing for Covered Benefits for the remainder of the Plan Year or Calendar Year. No one family member may contribute more than the individual Deductible amount to the family Deductible.

Once a Deductible is met, coverage by the Plan is subject to any other Member Cost Sharing that may apply.

If a Member changes to Family Coverage from Individual Coverage or to Individual Coverage from Family Coverage within a Plan Year or Calendar Year, expenses that Member incurred for Covered Benefits toward the Deductible under the prior coverage will apply toward the Deductible limit under his/her new coverage. If the previously incurred Deductible amount is greater than the new Deductible limit, the Member or family will only be responsible for applicable Copayment or Coinsurance amounts listed in his/her Schedule of Benefits.

Some Plans include a Deductible Rollover. A Deductible Rollover allows you to apply any Deductible amount incurred for Covered Benefits during the last three (3) months of a year toward the Deductible for the next year. In order for a Deductible Rollover to apply, the Member (or Family) must have had continuous coverage under the Plan through the same Plan Sponsor at the time the charges for the prior year were incurred. If a Deductible Rollover applies, it will be stated in your Schedule of Benefits.

3. Coinsurance

After the appropriate Deductible amount is met, you may be responsible for paying a Coinsurance amount, which is a percentage of the Allowed Amount or the Recognized Amount, if applicable. When using Plan Providers, the Allowed Amount is based on the contracted rate between HPHC and the provider. Coinsurance amounts are listed in your Schedule of Benefits.

4. Out-of-Pocket Maximum

Your coverage includes an Out-of-Pocket Maximum. An Out-of-Pocket Maximum is the total amount of Copayments, Deductible or Coinsurance payments for which a Member or a family is responsible in a Plan Year or Calendar Year. Once the Out-of-Pocket Maximum has been reached, no further Copayment, Deductible or Coinsurance amounts will be payable by the Member and the Plan will pay 100% of the Allowed Amount for the remainder of the Plan Year or Calendar Year. Once a family Out-of-Pocket Maximum has been met in a Plan Year or Calendar Year, the Out-of-Pocket Maximum is deemed to have been met by all Members in a family for the remainder of the Plan Year or Calendar Year.

Charges above the Allowed Amount never apply to the Out-of-Pocket Maximum.

If you have a family Plan, you have both an individual Out-of-Pocket Maximum and a family Out-of-Pocket Maximum and your Out-of-Pocket Maximum can be reached in one of two ways:

- a. If a Member of a covered family meets an individual Out-of-Pocket Maximum, then that Member has no additional Member Cost Sharing for the remainder of the Plan Year or Calendar Year.
- b. If any number of Members in a covered family collectively meet the family Out-of-Pocket Maximum, then all Members of the covered family have no additional Member Cost Sharing for the remainder of the Plan Year or Calendar Year.

If a Member changes to Family Coverage from Individual Coverage or to Individual Coverage from Family Coverage within a Plan Year or Calendar Year, expenses that Member incurred for Covered Benefits toward the Out-of-Pocket Maximum under the prior coverage will apply toward the Out-of-Pocket Maximum limit under his/her new coverage. If the incurred Out-of-Pocket Maximum amount is greater than the new Out-of-Pocket Maximum limit, the

Member will have no additional cost sharing for that Plan Year or Calendar Year.

G. SERVICES PROVIDED BY A DISENROLLED OR NON-PLAN PROVIDER

1. Disenrollment of Primary Care Provider (PCP)

If your PCP is disenrolled as a Plan Provider for reasons unrelated to fraud or quality of care, we will use our best efforts to provide you with written notice at least 30 days prior to the date of your PCP's disenrollment. That notice will also explain the process for selecting a new PCP. You may be eligible to continue to receive coverage for services provided by the disenrolled PCP, under the terms of this Handbook and your Schedule of Benefits, for at least 30 days after the disenrollment date.

You may also be eligible to continue to receive coverage for the following services from the disenrollment date or the date you receive notice of disenrollment (whichever is later):

a. Active Course of Treatment

Except for pregnancy and terminal illness as described below, if you are undergoing an active course of treatment for an illness, injury or condition, we may authorize additional coverage through the active course of treatment or up to 90 days, (whichever is shorter). An active course of treatment includes when a member has a "serious and complex condition", is currently undergoing a course of institutional or inpatient care, or has scheduled nonelective surgery including any related postoperative care.

The term "serious and complex condition" is an acute illness that is serious enough to require specialized medical treatment to avoid the reasonable possibility of death or permanent harm; or is a chronic illness that is (a) life-threatening, degenerative, potentially disabling, or congenital; and (b) requires specialized medical care over a prolonged period of time.

b. Pregnancy

If you are a female Member and are pregnant, you may continue to receive coverage for services from your disenrolled provider, through delivery and up to 6 weeks of postpartum visits immediately following childbirth.

c. Terminal Illness

A Member with a terminal illness may continue to receive coverage for

services delivered by the disenrolled provider until the Member's death.

2. New Membership

If you are a new Member, the Plan will provide coverage for services delivered by a physician who is not a Plan Provider, under the terms of this Handbook and your Schedule of Benefits, for up to 30 days from your effective date of coverage if;

- Your Employer only offers employees a choice of plans in which the physician is a Non-Plan Provider, and
- The physician is providing you with an ongoing course of treatment or is your PCP.

With respect to a Member in her second or third trimester of pregnancy, this provision shall apply to services rendered through the first postpartum visit. With respect to a Member with a Terminal Illness, this provision shall apply to services rendered until death.

3. Conditions for Coverage of Services by a Disenrolled or Non-Plan Provider

Services received from a disenrolled or Non-Plan Provider as described in the paragraphs above, are only covered when the physician agrees to:

- Accept reimbursement from us at the rates applicable prior to notice of disenrollment as payment in full and not to impose Member Cost Sharing with respect to the Member in an amount that would exceed the Member Cost Sharing that could have been imposed if the provider had not been disenrolled;
- Adhere to the quality assurance standards of the Plan and to provide us with necessary medical information related to the care provided; and
- Adhere to our policies and procedures, including procedures regarding Referrals, obtaining Prior Approval and providing Covered Benefits pursuant to a treatment plan, if any, approved by us.

H. MEDICALLY NECESSARY GUIDELINES

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of the Medically Necessary Guidelines applicable to a service or procedure for which coverage is requested. Medically Necessary Guidelines may be obtained by calling the Member

Services Department at **1-888-333-4742** or going to www.harvardpilgrim.org.

I. PROVIDER FEES FOR SPECIAL SERVICES (CONCIERGE SERVICES)

Certain physician practices charge extra fees for special services or amenities, in addition to the benefits covered by the Plan. Examples of such special physician services might include: telephone access to a physician 24-hours a day; waiting room amenities; assistance with transportation to medical appointments; guaranteed same day or next day appointments when not Medically Necessary; or providing a physician to accompany a patient to an appointment with a specialist. Such services are not covered by the Plan. The Plan does not cover fees for any service that is not included as a Covered Benefit under this Handbook or your Schedule of Benefits.

In considering arrangements with physicians for special services, you should understand exactly what services are to be provided and whether those services are worth the fee you must pay. For example, the Plan does not require participating providers to be available by telephone 24-hours a day. However, the Plan does require PCPs to provide both an answering service that can be contacted 24-hours a day and prompt appointments when Medically Necessary.

J. BUNDLED PAYMENT ARRANGEMENTS

The Plan may participate in bundled payment arrangements with certain Plan Providers under which a specific service or treatment is paid for based on a fixed sum for all of the Covered Benefits you receive. Member Cost Sharing for Covered Benefits under a bundled payment arrangement may be less than if the Covered Benefits were received without the bundled payment arrangement. Please refer to www.harvardpilgrim.org or call the Member Services Department at **1-888-333-4742** for a list of Plan Providers who have bundled payment arrangements with Harvard Pilgrim and their corresponding services. We may revise the list of Plan Providers or services who have bundled payment arrangements upon 30 days notice to Members.

K. CARE MANAGEMENT PROGRAMS

The Plan provides care management programs for Members with certain illnesses and injuries. These programs are designed to encourage the use of the

most appropriate and cost-effective treatment and to provide support for the Member's care. Care management may include programs for medical and behavioral health care including, but not limited to, cancer; heart, lung and kidney diseases; severe traumatic injuries; behavioral health disorders; substance use disorders; high risk pregnancies and newborn care. The Plan may work with certain providers to establish care management programs. The Plan or providers affiliated with the care management program may identify and contact Members that may be candidates for its programs. The Plan or providers may also contact Members to assist with enrollment, develop treatment plans, establish goals or determine alternatives to a member's current treatment plan. Covered Benefits provided through a care management program may apply Member Cost Sharing.

II. Glossary

This section lists words with special meaning within the Handbook.

Activities of Daily Living The basic functions of daily life include bathing, dressing, and mobility, including, but not limited to, transferring from bed to chair and back, walking, sleeping, eating, taking medications and using the toilet.

Acute Treatment Services 24-hour medically supervised addiction treatment for adults or adolescents provided in a medically managed or medically monitored inpatient facility, as defined by the Massachusetts Department of Public Health. Acute Treatment Services provide evaluation and withdrawal management and may include biopsychological assessment, individual and group counseling, psychoeducational groups and discharge planning.

Allowed Amount The Allowed Amount is the maximum amount the Plan will pay for Covered Benefits minus any applicable Member Cost Sharing.

The Allowed Amount depends upon whether a Covered Benefit is provided by a Plan Provider or a Non-Plan Provider, as follows:

1. **Plan Providers.** If a Covered Benefit is provided by a Plan Provider, the Allowed Amount is the contracted rate HPHC has agreed to pay Plan Providers. The Plan Providers are not permitted to charge the Member any amount for Covered Benefits, except the applicable Member Cost Sharing amount for the service, in addition to the Allowed Amount.
2. **Non-Plan Providers.** Most services that are Covered Benefits under your Plan must be provided by a Plan Provider to be covered by HPHC. However, there are exceptions. These include: (i) care in a Medical Emergency and (ii)

care while traveling outside of the state where you live.

If services provided by a Non-Plan Provider are Covered Benefits under your Plan, the Allowed Amount for such services depends upon where the Member receives the service, as explained below.

The Allowed Amount is the lower of the Provider's charge or a rate determined as described below:

a. If a Member receives Covered Benefits from a Non-Plan Provider in the states of Massachusetts, New Hampshire, Maine, Rhode Island, Vermont or Connecticut, the Allowed Amount is defined as follows:

An amount that is consistent, in the judgment of the Plan, with the normal range of charges by health care providers for the same, or similar, products or services provided to a Member. If the Plan has appropriate data for the area, the Plan will determine the normal range of charges in the geographic area where the product or services were provided to the Member. If the Plan does not have data to reasonably determine the normal range of charges where the products or services were provided, the Plan will utilize the normal range of charges in Boston, Massachusetts. Where services are provided by non-physicians but the data on provider charges available to the Plan is based on charges for services by physicians, the Plan will, in its discretion, make reasonable reductions in its determination of the allowable charge for such non-physician providers.

b. If a Member receives Covered Benefits from a Non-Plan Provider outside of Massachusetts, New Hampshire, Maine, Rhode Island, Vermont or Connecticut, the Allowed Amount is defined as follows:

The Allowed Amount is the lower of the provider's charge or a rate determined as described below:

The Allowed Amount is determined based on 150% of the published rates allowed by the Centers for Medicare and Medicaid Services (CMS) for Medicare for the same or similar service within the geographic market.

When a rate is not published by CMS for the service, we use other industry standard methodologies to determine the Allowed Amount for the service as follows:

For services other than Pharmaceutical Products, we use a methodology called a relative value scale, which is based on the difficulty, time, work, risk and resources of the service. The relative value scale currently used is created by Optuminsight, Inc. If the Optuminsight, Inc. relative value scale becomes no longer available, a comparable scale will be used.

For Pharmaceutical Products, we use industry standard methodologies that are similar to the pricing methodology used by CMS and produce fees based on published acquisition costs or average wholesale price for the pharmaceuticals. These methodologies are currently created by RJ Health Systems, Thomson Reuters (published in its Red Book), or UnitedHealthcare based on an internally developed pharmaceutical pricing resource.

When a rate is not published by CMS for the service and no industry standard methodology applies to the service, or the provider does not submit sufficient information on the claim to pay it under CMS published rates or an industry standard methodology, the Allowed Amount will be 50% of the provider's billed charge, except that the Allowed

Amount for certain mental health and substance use disorder treatment will be 80% of the billed charge.

Pricing of the Allowed Amount will be conducted by UnitedHealthcare, Inc. United Healthcare, updates the CMS published rate data on a regular basis when updated data from CMS becomes available. These updates are typically implemented within 30 to 90 days after CMS updates its data.

As stated above, the Allowed Amount is the maximum amount the Plan will pay for Covered Benefits minus any applicable Member Cost Sharing. Most Non-Plan Providers are permitted to charge amounts for Covered Benefits in excess of the Allowed Amount. In that event, the Plan is responsible for payment of the Allowed Amount, minus any applicable Member Cost Sharing. The Member is responsible for paying the applicable Member Cost Sharing amount and any additional amount charged by the Non-Plan Provider.

Anniversary Date The date agreed to by HPHC and your Plan Sponsor upon which the yearly benefit changes normally become effective. This Benefit Handbook, Schedule of Benefits, Prescription Drug Brochure (if applicable) and any applicable riders will terminate unless renewed on the Anniversary Date.

 **FOR EXAMPLE:** If your Anniversary Date is January 1st, this is the date when the Plan goes into effect and begins to pay for Covered Benefits.

Behavioral Health Access Center The organization, designated by HPHC, that is responsible for arranging for the provision of services for Members in need of mental health and substance use disorder treatment. You may contact the Behavioral Health Access Center by calling **1-888-777-4742**. The Behavioral Health Access Center will assist you in finding an appropriate Plan Provider and arranging the services you require.

Benefit Handbook (or Handbook) This document that describes the terms and conditions of the Plan,

including but not limited to, Covered Benefits and exclusions from coverage.

Benefit Limit The day, visit or dollar limit maximum that applies to certain Covered Benefits. Once the Benefit Limit has been reached, no more benefits will be paid for such services or supplies. If you exceed the Benefit Limit, you are responsible for all charges incurred. The Benefit Limits applicable to your Plan are listed in your Schedule of Benefits.

 **FOR EXAMPLE:** If your Plan offers 30 visits per Plan Year or Calendar Year for physical therapy services, once you reach your 30 visit limit for that Plan Year or Calendar Year, no additional benefits for that service will be covered by the Plan.

Calendar Year The one-year period beginning on January 1 for which benefits are purchased and administered. Benefits for which limited yearly coverage is provided renew at the beginning of the Calendar Year. Benefits for which limited coverage is provided every two years renew at the beginning of every second Calendar Year. Benefits under your Plan are administered on either a Plan Year or Calendar Year basis. Please see your Schedule of Benefits to determine which type of year your Plan utilizes.

Centers of Excellence Certain specialized services are only covered when received from designated providers with special training, experience, facilities or protocols for the service. Centers of Excellence are selected by us based on the findings of recognized specialty organizations or government agencies such as Medicare.

Clinical Stabilization Services 24-hour clinically managed post detoxification treatment for adults or adolescents, as defined by the Massachusetts Department of Public Health. Clinical Stabilization Services usually follow Acute Treatment Services for substance abuse. Clinical Stabilization Services may include intensive education and counseling regarding the nature of addiction and its consequences, relapse prevention, outreach to families and significant others and after care

planning, for individuals beginning to engage in recovery from addiction.

Coinsurance A percentage of the Allowed Amount, or Recognized Amount, if applicable, for certain Covered Benefits that must be paid by the Member. Coinsurance amounts applicable to your Plan are stated in your Schedule of Benefits.

 **FOR EXAMPLE:** If the Coinsurance for a service is 20%, you pay 20% of the Allowed Amount while the Plan pays the remaining 80%.

Copayment A fixed dollar amount you must pay for certain Covered Benefits. The Copayment is usually due at the time services are rendered or when billed by the provider.

There may be two types of office visit Copayments that apply to your Plan: a lower Copayment known as Primary Care Copayment and a higher Copayment known as Specialty and Hospital Based Care Copayment. Your specific Copayment amounts, and the services to which they apply, are listed in your Schedule of Benefits.

 **FOR EXAMPLE:** If your Plan has a \$20 Copayment for outpatient visits, you'll pay \$20 at the time of the visit or when you are billed by the provider.

(e.g., bathing, dressing, preparing meals, including special diets, taking medication, assisting with mobility).

Deductible A specific dollar amount that is payable by a Member for Covered Benefits received each Plan Year or Calendar Year before any benefits subject to the Deductible are payable by the Plan. There may be an individual Deductible and a family Deductible, and you may have different Deductibles that apply to different Covered Benefits under your Plan. If a Deductible applies to your Plan, it will be stated in your Schedule of Benefits.

 **FOR EXAMPLE:** If your Plan has a \$500 Deductible and you have a claim with the Allowed Amount of \$1,000, you will be responsible for the first \$500 to satisfy your Deductible requirement before the Plan begins to pay benefits.

Deductible Rollover A Deductible Rollover allows a Member to apply any Deductible amount incurred for Covered Benefits during the last three months of a Plan Year or Calendar Year toward the Deductible for the next Plan Year or Calendar Year. To be eligible for a Deductible Rollover, a Member must have had continuous coverage with us through the same Plan Sponsor at the time the prior Plan Year or Calendar Year charges were incurred. If your Plan has a Deductible Rollover it will be listed in your Schedule of Benefits.

Please Note: Deductible Rollover amounts will not apply to the Out-of-Pocket Maximum amount for the next Plan Year or Calendar Year.

Dental Care Any service provided by a licensed dentist involving the diagnosis or treatment of any disease, pain, injury, deformity or other condition of the human teeth, alveolar process, gums, jaw or associated structures of the mouth. However, surgery performed by an oral maxillofacial surgeon to correct positioning of the bones of the jaw (orthognathic surgery) is not considered Dental Care within the meaning of this definition.

Dependent. A Member of the Subscriber's family who (1) meets the

eligibility requirements for coverage through a Subscriber as agreed upon by the Plan Sponsor and HPHC and (2) is enrolled in the Plan. Eligibility requirements are documented as part of the contract between the Plan Sponsor and HPHC. Please see your Plan Sponsor's Benefits Office for details on the agreement between HPHC and your Plan Sponsor.

In determining whether a service has been recognized as safe or effective in accordance with generally accepted evidence-based medical standards, primary reliance will be placed upon data from published reports in authoritative medical or scientific publications that are subject to established peer review by qualified medical or scientific experts prior to publication. In the absence of any such reports, it will generally be determined that a service, procedure, device or drug is not safe and effective for the use in question.

b) In the case of a drug, the drug has not been approved by the United States Food and Drug Administration (FDA) (this does not include off-label uses of FDA approved drugs) or if approved for lawful marketing by the FDA and reliable scientific evidence does not support that the treatment is effective in improving health outcomes

or that appropriate patient selection has not been determined. c) For purposes of the treatment of infertility only, the service, procedure, drug or device has not been recognized as a "non-experimental infertility procedure" under the Massachusetts Infertility Benefit Regulations at 211 CMR Section 37.00 et. seq.

Medical Emergency A medical condition, whether physical or mental (including a condition resulting from a substance use disorder), manifesting itself by symptoms of sufficient severity, including severe pain, that the absence of prompt medical attention could reasonably be expected by a prudent layperson who possesses an average knowledge of health and medicine, to result in placing the health of the Member or another person in serious jeopardy, serious impairment to body

function, or serious dysfunction of any body organ or part. With respect to a pregnant woman who is having contractions, Medical Emergency also means that there is inadequate time to effect a safe transfer to another hospital before delivery or that transfer may pose a threat to the health or safety of the woman or the unborn child.

V. Reimbursement and Claims Procedures

The information in this section applies when you receive services from a Non-Plan Provider. This should happen only when you get care:

- In a Medical Emergency; or
- When you are temporarily traveling outside of the state where you live.

In most cases, you should not receive bills from a Plan Provider.

A. BILLING BY PROVIDERS

If you get a bill for a Covered Benefit you may ask the provider to:

- 1) Bill us on a standard health care claim form (such as the CMS 1500 or the UB04 form); and
- 2) Send it to the address listed on the back of your Plan ID card.

If you receive a Surprise Bill, you are only responsible for the applicable Member Cost Sharing that would apply if the service was provided by a Plan Provider. The Plan will reimburse Non-Plan Providers at the Out-of-Network Rate unless otherwise agreed to by the Provider and HPHC. You will not be billed for any charges other than the applicable Member Cost Sharing based on the Recognized Amount. You are not responsible, and a Non-Plan Provider cannot bill you, for:

- Amounts in excess of your Member Cost Sharing, based on the Recognized Amount, for non-emergency ancillary Covered Benefits received at certain In-network facilities by a Non-Plan Provider.
- Amounts in excess of your Member Cost Sharing, based on the Recognized Amount, for non-emergency, non-ancillary Covered Benefits received at certain In-network facilities from a Non-Plan Provider who has not satisfied the notice and consent criteria of section 2799B-2(d) of the Public Service Act.
- Amounts in excess of your Member Cost Sharing, based on the Recognized Amount, for Covered Benefits that are Medically Emergency Services provided by a Non-Plan Provider.
- Amounts in excess of your applicable Member Cost Sharing, based on the rates that would apply if the service was provided by a Plan Provider, for

Covered Benefits that are air ambulance services provided by a Non-Plan Provider.

If you have any questions, please call our Member Services Department at **1-888-333-4742**.

B. REIMBURSEMENT FOR BILLS YOU PAY

If you pay a provider who is not a ChoiceNet Plan Provider for a Covered Benefit, the Plan will reimburse you less your applicable Member Cost Sharing. Please send any request for reimbursement for claims you have paid to the appropriate address below:

1. International Claims

If you are requesting reimbursement for services received while outside of the United States, you must submit an HPHC medical reimbursement claim form along with an itemized bill and proof of payment. We may also require you to provide additional documentation, including, but not limited to: (1) records from financial institutions clearly demonstrating that you have paid for the services that are the subject of the claim; (2) the source of funds used for payment; and (3) an English translated description of the services received.

2. Pharmacy Claims

In addition to the Prescription Claim Form you must send a drug store receipt showing the items for which reimbursement is requested.

If you have a question regarding your reimbursement, you should contact the Member Services Department at **1-888-333-4742**.

C. TIME LIMITS ON FILING CLAIMS

To be eligible for payment, we must receive claims within one year of the date care was received.

D. TIME LIMITS FOR THE REVIEW OF CLAIMS

HPHC will generally review claims within the time limits stated below. Under some circumstances these time limits may be extended by the Plan upon notice to Members. Unless HPHC notifies a Member that an extension is required, the review time for the types of claims outlined below will be as follows:

- **Pre-service claims.** A pre-Service claim is one in which coverage is requested for a health care service that the Member has not yet received. Pre-service claims will generally be processed within 15 days after receipt of the claim by HPHC.
- **Post-service claims.** A post-service claim requests coverage of a health care service that the Member has already received. Post-service claims will generally be processed within 30 days after the receipt of the claim by HPHC.
- **Urgent Care claims.** Urgent Care claims will generally be processed within 72 hours of receipt of the claim by HPHC. An Urgent Care claim is one in which the use of the standard time period for processing pre-service claims:
 1. Could seriously jeopardize a Member's life or health or ability to regain maximum function; or
 2. Would result in severe pain that cannot be adequately managed without the care or treatment requested.

If a physician with knowledge of the Member's medical condition determines that one of the above criteria has been met, the claim will be treated as an Urgent Care claim by HPHC.

E. PAYMENT LIMITS

The Plan limits the amount payable for services that are not rendered by Plan Providers. The most the Plan will pay for such services is the Allowed Amount, unless it is a Surprise Bill. You may have to pay the balance if the claim is for more than the Allowed Amount, unless it is a Surprise Bill.

VI. Appeals and Complaints

This section explains the procedures for processing appeals and complaints and the options available if an appeal is denied.

A. BEFORE YOU FILE AN APPEAL

Claim denials may result from a misunderstanding with a provider or a claim processing error. Since these problems can be easy to resolve, we recommend that Members contact an HPHC Member Services Associate prior to filing an appeal. (A Member Services Associate can be reached toll free at **(888) 333-4742** or call **711** for TTY service.) The Member Services Associate will investigate the claim and either resolve the problem or explain why the claim is being denied. If you are dissatisfied with the response of the Member Services Associate, you may file an appeal using the procedures outlined below.

B. MEMBER APPEAL PROCEDURES

Any Member who is dissatisfied with a decision on the coverage of services may appeal to HPHC. Appeals may be filed by a Member or a Member's authorized representative, including a provider acting on a Member's behalf. HPHC has established the following steps to ensure that Members receive a timely and fair review of internal appeals.

A Member may also appeal a rescission of coverage. A rescission of coverage is defined in section VI.C.2. *External Review*.

If you need assistance filing your appeal, there may be consumer assistance programs in your state available to you. Also, HPHC staff is available to assist you with the filing of an appeal. If you wish such assistance or would like the telephone number for one of these programs, please call (888) 333-4742.

1. Initiating Your Appeal

To initiate your appeal, you or your representative can mail or FAX a letter to us about the coverage you are requesting and why you feel the denial should be overturned. If your appeal qualifies as an expedited appeal, you may contact us by telephone. Please see section VI.B.3. *The Expedited Appeal Process* for the expedited review procedure.

You must file your appeal within 180 days after you receive notice that a claim has been denied. Please be as specific as possible in your appeal request. We

need all the important details in order to make a fair decision, including pertinent medical records and itemized bills.

If you have a representative submit an appeal on your behalf, the appeal should include a statement, signed by you, authorizing the representative to act on your behalf. In the case of an expedited appeal relating to Urgent Care, such authorization may be provided within 48 hours after submission of the appeal. Where Urgent Care is involved, a medical provider with knowledge of your condition, such as your treating physician, may act as your representative without submitting an authorization form you have signed.

For all appeals, except those involving mental health and substance use disorder treatment, please send your request to the following address:

HPHC Appeals and Grievances Department
1 Wellness Way
Canton, MA 02021
Telephone: 1-888-333-4742
Fax: 1-617-509-3085
www.harvardpilgrim.org

If your appeal involves mental health and substance use disorder treatment, please send it to the following address:

United Behavioral Health
Attn: Appeals Department
P.O. Box 30512
Salt Lake City, UT 84130-0512
Telephone: 1-877-447-6002
Fax: 1-855-312-1470

No appeal shall be deemed received until actual receipt by HPHC at the appropriate address or telephone number listed above.

When we receive your appeal, we will assign an Appeals and Grievances Analyst to coordinate your appeal throughout the entire appeal process. We will send you an acknowledgement letter identifying your Appeals and Grievances Analyst. That letter will include detailed information on the appeal process. Your Appeals and Grievances Analyst is available to answer any questions you may have about your appeal. Please feel free to contact your Appeals and Grievances Analyst if you have any questions or concerns at any time during the appeal process.

There are two types of appeal processes, the standard process, which applies to most denied claims and the

expedited appeal process which is only available for claims involving claims for Urgent Care services.

2. The Standard Appeal Process

The Appeals and Grievances Analyst will investigate your appeal and determine if additional information is required. Such information may include medical records, statements from your doctors, and bills and receipts for services you have received. You may also provide HPHC with any written comments, documents, records or other information related to your claim.

HPHC divides standard appeals into two types, “Pre-Service Appeals” and “Post-Service Appeals,” as follows:

- A “Pre-Service Appeal” requests coverage of a denied health care service that the Member has not yet received.
- A “Post-Service Appeal” requests coverage of a denied health care service that the Member has already received.

HPHC will review Pre-Service Appeals and send a written decision within 30 days of the date the appeal was received by HPHC. HPHC will review Post-Service Appeals and send a written decision within 30 days of the date the appeal was received by HPHC. These time limits may be extended by mutual agreement between you and HPHC.

After we receive all the information needed to make a decision, your Appeals and Grievances Analyst will inform you, in writing, whether your appeal is approved or denied. HPHC’s decision of your appeal will include: (1) a summary of the facts and issues in the appeal, (2) a summary of the documentation relied upon, (3) the specific reasons for the decision, including the clinical rationale, if any, (4) the identification of any medical or vocational expert consulted in reviewing your appeal, and (5) any other information required by law. This decision is HPHC’s final decision under the appeal process. If HPHC’s decision is not fully in your favor, the decision will also include a description of other options for further review of your appeal. These are also described in section C, below.

If your appeal involves a decision on a medical issue, the Appeals and Grievances Analyst will obtain the opinion of a qualified physician or other appropriate medical specialist. The health care professional conducting the review must not have either participated in any prior decision concerning the appeal or be the subordinate of the original

reviewer. Upon request, your Appeals and Grievances Analyst will provide you with a copy, free of charge, of any written clinical criteria used to decide your appeal and; where required by law, the identity of the physician (or other medical specialist) consulted concerning the decision.

You have the right to receive, free of charge, all documents, records or other information relevant to the initial denial and your appeal.

3. The Expedited Appeal Process

HPHC will provide you with an expedited review if your appeal involves medical services which, in the opinion of a physician with knowledge of your medical condition:

- Could, if delayed, seriously jeopardize your life or health or ability to regain maximum function, or
- Would, if delayed, result in severe pain that cannot be adequately managed without the care or treatment requested.

If your appeal involves services that meet one of these criteria, please inform us and we will provide you with an expedited review.

You, your representative or a provider acting on your behalf may request an expedited appeal by telephone or fax. Please see “Initiating Your Appeal,” above, for the telephone and fax numbers.

HPHC will investigate and respond to your request within 72 hours. We will notify you of the decision on your appeal by telephone and send you a written decision within two business days thereafter.

If you request an expedited appeal of a decision to discharge you from a hospital, the Plan will continue to pay for your hospitalization until we notify you of our decision. Such notice may be provided by telephone or any other means.

Except as otherwise required by law, the expedited appeal process is limited to the circumstances listed above. Your help in promptly providing all necessary information is important for us to provide you with this quick review. If we do not have sufficient information to decide your appeal, HPHC will notify you within 24 hours of receipt of your appeal.

Important Notice: If you are filing an expedited appeal with HPHC, you may also file a request for expedited external review at the same time. You do not have to wait until HPHC completes your expedited appeal to file for expedited external review. Please see the section VI.C.2. *External Review*, for information on how to file for external review.

C. WHAT YOU MAY DO IF YOUR APPEAL IS DENIED

If your appeal is denied by HPHC there are a number of ways in which you may be able obtain further review of the appeal. These are described below.

1. Reconsideration of an Appeal Decision

Many Plan Sponsors provide for voluntary reconsideration of an appeal denial either by HPHC or directly through the Plan Sponsor. Please contact your Appeals and Grievances Analyst or your Plan Sponsor for information on whether reconsideration of your appeal is available under your Plan. Your HPHC Appeals and Grievances Analyst can be reached at **1-888-333-4742**.

Please note that by seeking reconsideration you will not lose the right to obtain external review of your appeal, as described below. You may seek external review after reconsideration. However, you cannot obtain reconsideration of your appeal after seeking external review. Seeking reconsideration also does not affect your right to bring legal action, as referenced below.

2. External Review

If you disagree with the denial of your appeal you may be entitled seek external review through an Independent Review Organization (IRO). However, this right does not apply if your Plan is a grandfathered health plan under the Patient Protection and Affordable Care Act. Contact your Plan sponsor to find out whether your Plan is a grandfathered health plan.

An IRO provides you with the opportunity for a review of your appeal by an independent organization that is separate from HPHC and your Plan Sponsor. The decision of the IRO is binding on both you and the Plan (except to the extent that other remedies are available under state or federal law).

You, your representative, or a provider acting on your behalf, may request external review by sending a completed "Request for Voluntary Independent External Review" form by mail or fax to your Appeals and Grievances Analyst at the following address or fax number:

HPHC Appeals and Grievances Department
1 Wellness Way
Canton, MA 02021
Telephone: 1-888-333-4742
Fax: 1-617-509-3085
www.harvardpilgrim.org

You or your representative may request expedited external review by telephone. Please call your Appeals and Grievances Analyst, if one has been assigned to your appeal. You may also request expedited external review by calling a Member Services Associate at **1-888-333-4742**.

In addition to the requirements for external review, stated below, to be eligible for expedited external review, the appeal must meet the criteria for an expedited appeal stated above in section VII. B.3 (titled "The Expedited Appeal Process").

In submitting a request for external review, you understand that if HPHC determines that the appeal is eligible for external review, HPHC will send a copy of the complete appeal file directly to the IRO.

In order to be eligible for external review, your appeal must meet each of the following requirements:

- a. You must request external review within four calendar months of the date you receive notice that your appeal has been denied. If we send a notice of the denial of an appeal by First Class Mail, we will assume receipt of that notice five days after the date of mailing.
- b. You must pay the \$25 external review filing fee (up to \$75 per year if you file more than one request). The fee will be returned to you if your appeal is approved by the IRO. The fee may be waived upon a showing of undue financial hardship.
- c. Your appeal must involve a denial of coverage based on either: (1) a medical judgment; or (2) a rescission of coverage. The meaning of these terms is as follows:

Medical Judgment. A "medical judgment" includes, but is not limited to, the following types of decisions: (i) whether the service is Medically Necessary; (ii) whether the health care facility, level of care, or service is appropriate for treatment of the Member's condition; (iii) whether the service is likely to be effective, or more effective than an alternative service, in treating a Member's condition; or (iv) whether the service is Experimental, Unproven or Investigational. A medical judgment does not include a decision that is based on an interpretation of the law, or the benefits or wording of your Plan, without consideration of your clinical condition or what is best for you medically.

Unless a medical judgment is involved, external review is not available for certain types of appeals. These include the following:

- Denials of coverage based on benefit limitations stated in your Plan documents
- Denials of coverage for services excluded under your Plan (except Experimental, Unproven or Investigational services)
- Denials of coverage based on the Member Cost Sharing requirements stated in your Plan.

Rescission of Coverage. A “rescission of coverage” means a retroactive termination of a Member’s coverage. However, a termination of coverage is not a rescission if it is based on a failure to pay required premiums or contributions for coverage in a timely manner.

The final decision on whether an appeal is eligible for external review will be made by the Independent Review Organization (IRO), not by HPHC or the Plan Sponsor.

Note: Payment disputes are not eligible for external review, except when the appeal is filed to determine if Surprise Bill protections are applicable.

3. Legal Action

You may also seek legal action under section 502(a) of the Employee Retirement Income Security Act (ERISA) if your Plan is governed by ERISA. Please note that any legal action under section 502(c) of ERISA must be brought within the time period stated in section *X.B. LIMITATION ON LEGAL ACTIONS*. Please note that governmental plans are not subject to ERISA.

VII. Eligibility

Important Notice: Your membership in the Plan is effective on the date of enrollment by your Plan Sponsor. Because your Plan Sponsor may notify HPHC of enrollment changes retroactively, we may not have current information concerning membership status. Only your Plan Sponsor can confirm membership status.

This section describes requirements concerning eligibility under the Plan. It is important to understand that eligibility of Dependents and effective dates of coverage are determined by the Plan Sponsor. Please see your Plan Sponsor for descriptions of eligibility of Dependents and effective dates of coverage.

A. MEMBER ELIGIBILITY

1. Residence Requirement

To be eligible for coverage under this Plan, you must live, and maintain a permanent residence, within the Enrollment Area at least nine months of a year.

If you have any questions about these requirements, you may call the Member Services Department.

2. Subscriber Eligibility

To be a Subscriber under this Plan, you must:

- Be an employee of the Plan Sponsor, in accordance with employee eligibility guidelines agreed to by the Plan Sponsor and HPHC; and
- Be enrolled through a Plan Sponsor that is up-to-date in the payment of the applicable payments for coverage.

3. Dependent Eligibility

Please see your Plan Sponsor for a description of Dependent eligibility as agreed upon by your Plan Sponsor and HPHC.

B. EFFECTIVE DATE - NEW AND EXISTING DEPENDENTS

Please see your Plan Sponsor for information on enrollment and effective dates of coverage. Please also see section VII.H. *SPECIAL ENROLLMENT RIGHTS*.

C. EFFECTIVE DATE - ADOPTIVE DEPENDENTS

An adoptive child who has been living with you, and for whom you have been receiving foster care payments, may be covered from the date the petition

to adopt is filed. An adoptive child who has not been living with you may be covered from the date of placement in your home for purposes of adoption by a licensed adoption agency. Please see section VII.H. *SPECIAL ENROLLMENT RIGHTS* for additional rights upon adoption of a child.

D. CHANGE IN STATUS

It is your responsibility to inform your Plan Sponsor and HPHC of all changes that affect Member eligibility. These changes include: address changes; marriage of a Dependent; and death of a Member.

Please Note: We must have your current address on file in order to correctly process claims.

E. ADDING A DEPENDENT

It is important to understand that eligibility of Dependents and effective dates of coverage are determined by the Plan Sponsor. Dependents of eligible employees who meet the Plan Sponsor's eligibility guidelines will be enrolled in the Plan using HPHC enrollment forms or in a manner otherwise agreed to in writing by HPHC and the Plan Sponsor.

HPHC must receive proper notice from the Plan Sponsor of any Member enrollment in, or termination from, the Plan.

Please see your Plan Sponsor for information on Dependent eligibility and effective dates of coverage.

F. NEWBORN COVERAGE

A newborn infant of a Member is eligible for coverage under the Plan from the moment of birth. Please see section VII.E. *ADDING A DEPENDENT* for information on enrollment procedures. Please see section VII.H. *SPECIAL ENROLLMENT RIGHTS* for additional rights upon the birth of a child.

G. HOW YOU'RE COVERED IF MEMBERSHIP BEGINS WHILE YOU'RE HOSPITALIZED

If your membership happens to begin while you are hospitalized, coverage starts on the day membership is effective. To obtain coverage, you must call HPHC and allow us to manage your care. This may include transfer to a facility that is a Plan Provider, if medically appropriate. All other terms and conditions of coverage under this Handbook will apply.

H. SPECIAL ENROLLMENT RIGHTS

If an employee declines enrollment for the employee and his or her Dependents (including his or her spouse) because of other health insurance coverage, the employee may be able to enroll himself or herself, along with his or her Dependents in this Plan if the employee or his or her Dependents lose eligibility for that other coverage (or if the employer stops contributing toward the employee's or Dependents' other coverage). However, you must request enrollment from the Plan Sponsor within 30 days after the other coverage ends (or after the employer stops contributing toward the employee's or Dependents' other coverage).

In addition, if an employee has a new Dependent as a result of marriage, birth, adoption or placement for adoption, the employee may be able to enroll himself or herself and his or her Dependents. However, you must request enrollment from the Plan Sponsor within 30 days after the marriage, birth, adoption or placement for adoption.

Special enrollment rights may also apply to persons who lose coverage under Medicaid or the Children's Health Insurance Program (CHIP) or become eligible for state premium assistance under Medicaid or CHIP. An employee or Dependent who loses coverage under Medicaid or CHIP as a result of the loss of Medicaid or CHIP eligibility may be able to enroll in this Plan, if enrollment is requested from the Plan Sponsor within 60 days after Medicaid or CHIP coverage ends. An employee or Dependent who becomes eligible for group health plan premium assistance under Medicaid or CHIP may be able to enroll in this Plan if enrollment is requested from the Plan Sponsor within 60 days after the employee or Dependent is determined to be eligible for such premium assistance.

VIII. Termination and Transfer to Other Coverage

Important Notice: HPHC may not have current information concerning membership status. Plan Sponsors may notify HPHC of enrollment changes retroactively. As a result, the information HPHC has may not be current. Only your Plan Sponsor can confirm membership status.

A. TERMINATION BY THE SUBSCRIBER

You may end your membership under this Plan with your Plan Sponsor's approval. HPHC must receive a completed Enrollment/Change form from the Plan Sponsor to end your membership.

B. TERMINATION FOR LOSS OF ELIGIBILITY

A Member's coverage will end under this Plan if the Plan Sponsor's contract with HPHC is terminated. A Member's coverage may also end under this Plan for failing to meet any of the specified eligibility requirements. You will be notified if coverage ends for loss of eligibility. HPHC or the Plan Sponsor will inform you in writing.

You may be eligible for continued enrollment under federal law, if your membership is terminated. Please see section *D. CONTINUATION OF COVERAGE REQUIRED BY LAW* for more information.

Please Note: We may not have current information concerning membership status. Plan Sponsors may notify us of enrollment changes retroactively. As a result, the information we have may not be current. Only your Plan Sponsor can confirm membership status.

C. MEMBERSHIP TERMINATION FOR CAUSE

The Plan may end a Member's coverage for any of the following causes:

- Misrepresentation of a material fact on an application for membership;
- Committing or attempting to commit fraud to obtain benefits for which the Member is not eligible under this Handbook;
- Obtaining or attempting to obtain benefits under this Handbook for a person who is not a Member; or
- The commission of acts of physical or verbal abuse by a Member, which pose a threat to providers,

HPHC or other Members and which are unrelated to the Member's physical or mental condition.

Termination of membership for providing false information shall be effective immediately upon notice to a Member. It is a crime to knowingly provide false, incomplete or misleading information to an insurance company for the purpose of defrauding the company. Termination of membership for the other causes will be effective fifteen days after notice.

D. CONTINUATION OF COVERAGE REQUIRED BY LAW

Under Federal law, if you lose Plan Sponsor eligibility and the Plan Sponsor has twenty or more employees, you may be eligible for continuation of group coverage under the Federal law known as the Consolidated Omnibus Budget Reconciliation Act (COBRA). You should contact the Plan Sponsor for more information if health coverage ends due to: 1) separation from employment; 2) reduction of work hours; or 3) loss of dependency status.

IX. When You Have Other Coverage

This section explains how benefits under the Plan will be paid when another company or individual is also responsible for payment for health services a Member has received. This can happen when there is other insurance available to pay for health services, in addition to that provided by the Plan. It can also happen when a third party is legally responsible for an injury or illness suffered by a Member.

Nothing in this section should be interpreted as providing coverage for any service or supply that is not expressly covered under this Handbook, Schedule of Benefits and Prescription Drug Brochure (if applicable) or to increase the level of coverage provided.

A. BENEFITS IN THE EVENT OF OTHER INSURANCE

Benefits under this Handbook, Schedule of Benefits, and Prescription Drug Brochure (if applicable) will be coordinated to the extent permitted by law with other plans covering health benefits, including: motor vehicle insurance, medical payment policies, governmental benefits (including Medicare), and all Health Benefit Plans. The term "Health Benefit Plan" means all group HMO and other group prepaid health plans, medical or hospital service corporation plans, commercial health insurance and self-insured health plans. There is no coordination of benefits with Medicaid plans or with hospital indemnity benefits amounting to less than \$100 per day.

Coordination of benefits will be based upon the Allowed Amount, or Recognized Amount, if applicable, for any service that is covered at least in part by any of the plans involved. If benefits are provided in the form of services, or if a provider of services is paid under a capitation arrangement, the reasonable value of these services will be used as the basis for coordination. No duplication in coverage of services will occur among plans. For prescription drug claims, we will coordinate benefits pursuant to our secondary payor allowed amount in all cases.

When a Member is covered by two or more Health Benefit Plans, one plan will be "primary" and the other plan (or plans) will be secondary. The benefits of the primary plan are determined before those of secondary plan(s) and without considering the benefits of secondary plan(s). The benefits of secondary plan(s) are determined after those of the

primary plan and may be reduced because of the primary plan's benefits.

In the case of Health Benefit Plans that contain provisions for the coordination of benefits, the following rules shall decide which Health Benefit Plans are primary or secondary:

1. Employee/Dependent

The benefits of the plan that covers the person as an employee or Subscriber are determined before those of the plan that covers the person as a Dependent.

2. Dependent Children

i. Dependent Child Whose Parents Are Not Separated or Divorced

The order of benefits is determined as follows:

- 1) The benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year; but,
- 2) If both parents have the same birthday, the benefits of the plan that covered the parent longer are determined before those of the plan that covered the other parent for a shorter period of time;
- 3) However, if the other plan does not have the rule described in (1) above, but instead has a rule based upon the gender of the parent, and if, as a result, the plans do not agree on the order of benefits, the other plan will determine the order of benefits.

ii. Dependent Child/Separated or Divorced Parents

Unless a court order, of which HPHC has knowledge of, specifies one of the parents as responsible for the health care benefits of the child, the order of benefits is determined as follows:

- 1) First the plan of the parent with custody of the child;
- 2) Then, the plan of the spouse of the parent with custody of the child;
- 3) Finally, the plan of the parent not having custody of the child.

3. Active Employee or Retired or Laid-Off Employee

The benefits of a plan that covers the person as an active employee or as a dependent of an active employee are determined before those of the plan that covers the person as an individual who is retired

or laid off or as a dependent of an individual who is retired or laid off.

4. COBRA or State Continuation

The benefits of a plan that covers the person as an employee, member, subscriber or retiree, or as a dependent thereof, are determined before those of the plan that covers the person as an individual under COBRA or other right to continuation of coverage under state or federal law.

5. Longer/Shorter Length of Coverage

If none of the above rules determines the order of benefits, the benefits of the plan that covered the employee, Member or Subscriber longer are determined before those of the plan that covered that person for the shorter time.

If you are covered by a Health Benefit Plan that does not have provisions governing the coordination of benefits between plans, that plan will be the primary plan.

B. PROVIDER PAYMENT WHEN PLAN COVERAGE IS SECONDARY

When your Plan coverage is secondary to your coverage under another Health Benefit Plan, payment to a provider of services may be suspended until the provider has properly submitted a claim to the primary plan and the claim has been paid, in whole or in part, or denied by the primary plan. The Plan may recover any payments made for services in excess of the Plan's liability as the secondary plan, either before or after payment by the primary plan.

C. WORKERS' COMPENSATION/GOVERNMENT PROGRAMS

If HPHC has information indicating that services provided to you are covered under Workers' Compensation, Employer's liability or other program of similar purpose, or by a federal, state or other government agency, payment may be suspended for such services until a determination is made whether payment will be made by such program. If payment is made for services for an illness or injury covered under Workers' Compensation, Employer's liability or other program of similar purpose, or by a federal, state or other government agency, the Plan will be entitled to recovery of its expenses from the provider of services or the party or parties legally obligated to pay for such services.

D. SUBROGATION AND REIMBURSEMENT FROM RECOVERY

Subrogation is a means by which health plans recover expenses of services where a third party is legally responsible or alleged to be legally responsible for a Member's injury or illness.

If another person or entity is, or is alleged to be, liable to pay for services related to a Member's illness or injury which have been paid for or provided by the Plan, the Plan will be subrogated and succeed to all rights to recover against such person or entity for the value of the services paid for or provided by the Plan. The Plan will also have the right to be reimbursed from any recovery a Member obtains from such person or entity for the value of the services paid for or provided by the Plan. The Plan will have the right to seek such recovery from, among others, the person or entity that caused or allegedly caused the injury or illness, his/her liability carrier or your own auto insurance carrier, in cases of uninsured or underinsured motorist coverage. The Plan's right to reimbursement from any recovery will apply even if the recovery the Member receives for the illness or injury is designated or described as being for injuries other than health care expenses or does not fully compensate the Member for his or her damages, fees or costs. Neither the "make whole rule" nor the "common fund doctrine" apply to the Plan's rights of subrogation and/or reimbursement from recovery. The Plan's reimbursement will be made from any recovery the Member receives from any insurance company or any third party and the Plan's reimbursement from any such recovery will not be reduced by any attorney's fees, costs or expenses of any nature incurred by, or for, the Member in connection with the Member's receiving such recovery, and the Plan will have no liability for any such attorney's fees, costs or expenses.

To enforce its subrogation and reimbursement rights under this Handbook, the Plan will have the right to take legal action, with or without your consent, against any party to secure reimbursement from the recovery for the value of services provided or paid for by the Plan for which such party is, or is alleged to be, liable.

Nothing in this Handbook will be construed to limit the Plan's right to utilize any remedy provided by law to enforce its rights to subrogation under this Handbook.

E. MEDICAL PAYMENT POLICIES

For Members who are entitled to coverage under the medical payment benefit of a boat, homeowners, hotel, restaurant, or other insurance policy, or the first \$2,000 of Personal Injury Protection (PIP) coverage (or \$8,000 for self-funded plans), such coverage shall become primary to the coverage under this Benefit Handbook for services rendered in connection with a covered loss under that policy. For Members who are entitled to coverage under (1) a medical payment policy, or (2) Personal Injury Protection (PIP) coverage in excess of \$2,000 (or \$8,000 for self-funded plans), such coverage shall become secondary to the coverage under this Benefit Handbook for services rendered in connection with a covered loss under that policy, where, and only to the extent, the law requires the coverage under this Benefit Handbook to be primary. The benefits under this Benefit Handbook shall not duplicate any benefits to which you are entitled under any medical payment policy or benefit. All sums payable for services provided under this Benefit Handbook to Members that are covered under any medical payment policy or benefit are payable to the Plan.

F. MEMBER COOPERATION

You agree to cooperate with the Plan in exercising its rights of subrogation and coordination of benefits. Such cooperation will include, but not be limited to, a) the provision of all information and documents requested by the Plan, b) the execution of any instruments deemed necessary by the Plan to protect its rights, c) the prompt assignment to the Plan of any monies received for services provided or paid for by the Plan, and d) the prompt notification to the Plan of any instances that may give rise to the Plan's rights. You further agree to do nothing to prejudice or interfere with the Plan's rights to subrogation or coordination of benefits.

If you fail to perform the obligations stated in this subsection, you shall be rendered liable to the Plan for any expenses the Plan may incur, including reasonable attorneys fees, in enforcing its rights under this Handbook.

G. THE PLAN'S RIGHTS

Nothing in this Handbook shall be construed to limit the Plan's right to utilize any remedy provided by law to enforce its rights to subrogation or coordination of benefits under this agreement.

H. MEMBERS ELIGIBLE FOR MEDICARE

When a Member is enrolled in Medicare and receives Covered Benefits that are eligible for coverage by Medicare as the primary payor, the claim must be submitted to Medicare before payment by the Plan. The Plan will be liable for any amount eligible for coverage that is not paid by Medicare. The Member shall take such action as is required to assure payment by Medicare, including presenting his or her Medicare card at the time of service.

For a Member who is eligible for Medicare by reason of End Stage Renal Disease, the Plan will be the primary payor for Covered Benefits during the "coordination period" specified by federal regulations at 42 CFR Section 411.162. Thereafter, Medicare will be the primary payor. When Medicare is primary, the Plan will pay for services only to the extent payments would exceed what would be payable by Medicare.

X. Plan Provisions and Responsibilities

A. IF YOU DISAGREE WITH RECOMMENDED TREATMENT

You enroll in the Plan with the understanding that Plan Providers are responsible for determining treatment appropriate for your care. You may disagree with the treatment recommended by Plan Providers for personal or religious reasons. You may demand treatment or seek conditions of treatment that Plan Providers judge to be incompatible with proper medical care. In the event of such a disagreement, you have the right to refuse the recommendations of Plan Providers. In such a case, the Plan shall have no further obligation to provide coverage for the care in question. If you obtain care from Non-Plan Providers because of such disagreement you do so with the understanding that the Plan has no responsibility for the cost or outcome of such care.

Nothing in this subsection shall be deemed to provide benefits for any product or service not expressly stated as a Covered Benefit under this Plan.

B. LIMITATION ON LEGAL ACTIONS

Any legal action against the Plan for failing to provide Covered Benefits must be brought within two years of the initial denial of any benefit.

C. ACCESS TO INFORMATION

You agree that, except where restricted by law, HPHC and the Plan Sponsor may have access to (1) all health records and medical data from health care providers providing services covered under this Handbook and (2) information concerning health coverage or claims from all providers of motor vehicle insurance, medical payment policies, home-owners' insurance and all types of Health Benefit Plans. HPHC and the Plan Sponsor will comply with all laws restricting access to special types of medical information including, but not limited to, HIV test data, and substance use disorder rehabilitation and mental health and substance use disorder treatment records. Information from a Member's medical record and information about a Member's physician patient and hospital patient relationships will be kept confidential and will not be disclosed without the Member's consent, except for:

- use in connection with the delivery of care under this Handbook or in the administration of this

Handbook, including utilization review and quality assurance;

- use in bona fide medical research in accordance with regulations of the U.S. Department of Health and Human Services and the Food and Drug Administration for the protection of human subjects;
- use in education within HPHC facilities; and
- where required or permitted by law.

You can obtain a copy of HPHC Notice of Privacy Practices through the Harvard Pilgrim website, www.harvardpilgrim.org or by calling the Member Services Department at **1-888-333-4742**.

To support this commitment, HPHC has established a number of Privacy and Security policies, including those describing the administration of its privacy and security programs, requirements for staff training, and permitted uses and disclosures of PHI and PI. We may collect, use, and disclose financial and medical information about you when doing business with you or with others. We do this in accordance with our privacy policies and applicable state and federal laws. HPHC also requires its business partners who administer health care coverage to you on our behalf to protect your information in accordance with applicable state and federal laws.

It is the Member's responsibility to notify HPHC of an address change to ensure mailed materials are sent to the appropriate address. HPHC is not responsible for mailed materials being sent to the incorrect address if a Member has not updated his/her

address with HPHC prior to the materials being mailed out. Notice to HPHC, other than a request for a Member appeal, should be sent to:

F. MODIFICATION OF THIS HANDBOOK

This Benefit Handbook, Schedule of Benefits, Prescription Drug Brochure (if applicable), and any applicable riders or amendments comprise the entire Plan as agreed to by HPHC and the Plan Sponsor. They can only be amended by HPHC and the Plan Sponsor as stated below. No other action by HPHC or the Plan Sponsor, including the deliberate non-enforcement of any benefit limit, shall be deemed to waive or alter any part of these documents.

This Benefit Handbook, Schedule of Benefits, Prescription Drug Brochure (if applicable), and any applicable riders may be amended by agreement, in writing, between HPHC and the Plan Sponsor or, if required by law, by HPHC upon written notice to the Plan Sponsor. Amendments do not require the consent of Members.

G. HPHC'S RELATIONSHIP WITH PLAN PROVIDERS

HPHC's relationship with Plan Providers is governed by separate agreements. They are independent contractors. Such Plan Providers may not modify this Handbook or Schedule of Benefits, Prescription Drug Brochure, and any applicable riders, or create any obligation for the Plan. We are not liable for statements about this Handbook by them, their employees or agents. HPHC may change our arrangements with Plan Providers, including the addition or removal of Plan Providers, without notice to Members.

H. WELLNESS INCENTIVES

As a Member of the Plan, you may be able to receive incentives for participation in wellness and health improvement programs. The Plan may provide incentives, including reimbursement for certain fees that you pay for when participating in fitness or weight loss programs, or other wellness incentive programs. The award of incentives is not contingent upon the outcome of the wellness or health improvement program. Please visit our website at

www.harvardpilgrim.org for more information or see your Plan documents for the amount of incentives, if any, available under your Plan. For tax information, please consult with your Plan Sponsor or tax advisor.

I. IN THE EVENT OF A MAJOR DISASTER

HPHC will try to provide or arrange for services in the case of a major disaster. This might include war, riot, epidemic, public emergency, or natural disaster. Other causes include the partial or complete destruction of our facility(ies) or the disability of service providers. If the Plan cannot provide or arrange services due to a major disaster, it is not responsible for the costs or outcome of this inability.

J. EVALUATION OF NEW TECHNOLOGY

The Plan has dedicated staff that evaluates new diagnostics, testing, interventional treatment, therapeutics, medical/behavioral therapies, surgical procedures, medical devices and drugs as well as ones with new applications. The team manages the evidence-based evaluation process from initial inquiry to final policy recommendation in order to determine whether it is an accepted standard of care or if the status is Experimental, Investigational or Unproven. The team researches the safety and effectiveness of these new technologies by reviewing published peer reviewed medical reports and literature, consulting with expert practitioners, and benchmarking. The team presents its recommendations to internal policy committees responsible for making decisions regarding coverage of the new technology under the Plan. The evaluation process includes:

- Determination of the FDA approval status of the device/product/drug in question,
- Review of relevant clinical literature, and
- Consultation with actively practicing specialty care providers to determine current standards of practice.

The team presents its recommendations to internal policy committees responsible for making decisions regarding coverage of the new technology under the Plan.

K. UTILIZATION REVIEW PROCEDURES

HPHC uses the following utilization review procedures to evaluate the Medical Necessity of selected health care services using clinical criteria, and to facilitate clinically appropriate, cost-effective management of

your care. This process applies to guidelines for both physical and mental health services.

- **Prospective Utilization Review (Prior Approval).** HPHC reviews selected elective inpatient admissions, surgical day care, outpatient/ambulatory procedures, and Medical Drugs prior to the provision of such services to determine whether proposed services meet Medical Necessity Guidelines for coverage. Prospective utilization review determinations will be made within two working days of obtaining all necessary information. In the case of a determination to approve an admission, procedure or service, HPHC will give notice via the HPHC provider portal within 24 hours of the decision and will send a written confirmation to you and the provider within two working days. In the case of a determination to deny or reduce benefits ("an adverse determination"), HPHC will notify the provider rendering the service by telephone within 24 hours of the decision and will send a written or electronic confirmation of the telephone notification to you and the provider within one working day thereafter.

Please Note: Prior Approval is not required to obtain Acute Treatment Services or Clinical Stabilization Services from a Plan Provider. The terms "Acute Treatment Services" and "Clinical Stabilization Services" are defined in the Glossary at Section II of this Benefit Handbook.

- **Concurrent Utilization Review.** HPHC reviews ongoing admissions for selected services at hospitals, including acute care hospitals, rehabilitation hospitals, skilled nursing facilities, skilled home health providers and behavioral health and substance use disorder treatment facilities to assure that the services being provided meet Medical Necessity Guidelines for coverage. Concurrent review decisions will be made within one working day of obtaining all necessary information. In the case of either a determination to approve additional services or an adverse determination, we will notify the provider rendering the service by telephone within 24 hours of the decision. We will send a written or electronic confirmation of the telephone notification to you and the provider within one working day. In the case of ongoing services, coverage will be continued without liability to you until you have been notified of an adverse determination.

Active case management and discharge planning is incorporated as part of the concurrent review process and may also be provided upon the request of your Plan Provider.

- **Retrospective Utilization Review.** Retrospective utilization review may be used in circumstances where services were provided before authorization was obtained. This will include the review of emergency medical admissions for appropriateness of level of care.

If you wish to determine the status or outcome of a clinical review decision you may call the Member Services Department toll free at **1-888-333-4742**. For information about decisions concerning mental health and substance use disorder treatment, you may call the Behavioral Health Access Center at **1-888-777-4742**.

In the event of an adverse determination involving clinical review, your treating provider may discuss your case with a physician reviewer or may seek reconsideration from HPHC. The reconsideration will take place within one working day of your provider's request. If the adverse determination is not reversed on reconsideration you may appeal. Your appeal rights are described in section VI. *Appeals and Complaints*. Your right to appeal does not depend on whether or not your provider sought reconsideration.

L. QUALITY ASSURANCE PROGRAMS

HPHC has quality controls in place guided by the National Committee for Quality Assurance (NCQA). Our Quality Assurance programs are designed and implemented to ensure consistently excellent health plan services to our Members. Key Quality Assurance programs include:

- **Verification of Provider Credentials** - HPHC credentials our contracted providers by obtaining, verifying and assessing the qualifications to provide care or services by obtaining evidence of licensure, education, training and other experience and/or qualifications.
- **Verification of Facility Credentials** - HPHC credentials our contracted providers by reviewing licensures and applicable certifications based on facility type.
- **Quality of Care Complaints** - HPHC follows a systematic process to investigate, resolve and monitor Member complaints regarding medical care received by a contracted provider.
- **Evidence Based Practice** - HPHC compiles Medical Necessity Guidelines, based upon the

most current evidence-based standards, to assist clinicians by providing an analytical framework for the evaluation and treatment of common health conditions.

- **Performance monitoring** – HPHC participates in collecting data to measure outcomes related to the Health Care Effectiveness Data and Information Set (HEDIS) to monitor health care quality across various domains of evidence-based care and practice.
- **Quality program evaluation**– Annually HPHC develops, plans and implements initiatives to improve clinical service and quality for our members. The Quality Program is documented, tracked and evaluated against milestones and target objectives. The full program description and review is available on our website at <https://www.harvardpilgrim.org/public/about-us/quality>.

M. PROCEDURES USED TO EVALUATE EXPERIMENTAL/INVESTIGATIONAL DRUGS, DEVICES, OR TREATMENTS

HPHC uses a standardized process to evaluate inquiries and requests for coverage received from internal and/or external sources, and/or identified through authorization or payment inquiries. The evaluation process includes:

- Determination of the FDA approval status of the device/product/drug in question,
- Review of relevant clinical literature, and
- Consultation with actively practicing specialty care providers to determine current standards of practice.

Decisions are formulated into recommendations for changes in policy, and forwarded to our management for review and final implementation decisions.

N. PROCESS TO DEVELOP MEDICAL NECESSITY GUIDELINES AND UTILIZATION REVIEW CRITERIA

HPHC uses Medical Necessity Guidelines to make fair and consistent utilization management decisions. Criteria and guidelines are developed in accordance with standards established by The National Committee for Quality Assurance (NCQA), and reviewed (and revised, if needed) at least annually, or more often if needed to accommodate current standards of practice. This process applies to clinical criteria for both physical and mental health services.

For example, HPHC uses the nationally recognized InterQual criteria to review elective surgical day procedures, and services provided in acute care hospitals. InterQual criteria are developed through the evaluation of current national standards of medical practice with input from physicians and clinicians in medical academia and all areas of active clinical practice. InterQual criteria are reviewed and revised annually.

Medical Necessity Guidelines used to review other services are also developed with input from physicians and other clinicians with expertise in the relevant clinical area. The development process includes review of relevant clinical literature and local standards of practice.

O. NON-ASSIGNMENT OF BENEFITS

You may not assign or transfer your rights to benefits, monies, claims or causes of action provided under this Plan to any person, health care provider, company or other organization without the written consent from Harvard Pilgrim. Additionally, you may not assign any benefits, monies, claims, or causes of action resulting from a denial of benefits without the written consent from Harvard Pilgrim.

P. NEW TO MARKET DRUGS

New prescription drugs that are introduced into the market are reviewed by the Plan prior to coverage to ensure that the drug is safe and effective. New to market drugs will be reviewed by Harvard Pilgrim's Medical Policy Department and New Technology Assessment Committee or Pharmacy Services Department along with the Pharmacy and Therapeutics Committee within the first 180 days of their introduction to the market. If the new to market drug is covered by the Plan, Prior Authorization and coverage limitations may apply.

Please Note: Not all Plans provide coverage for outpatient prescription drugs through Harvard Pilgrim. If your Plan does not provide coverage for outpatient prescription drugs through Harvard Pilgrim, coverage under this benefit handbook is limited to Medical Drugs. If your Plan provides coverage for outpatient prescription drugs through Harvard Pilgrim, please refer to your prescription drug brochure for additional information.

Q. PAYMENT RECOVERY

If we determine that benefit payments under the Plan were made erroneously, we reserve the right to (1) seek recovery of such payments from the Provider or Member to whom the payments were made, and (2) offset subsequent benefit payments to a Provider (regardless of payment source) or Member by the amount of any such overpayment.

XI. MEMBER RIGHTS & RESPONSIBILITIES

Members have a right to be treated with respect and recognition of their dignity and right to privacy.

Members have a right to participate with practitioners in decision-making regarding their health care.
