

ChoiceNet Tiered Hospitals – 2023

ChoiceNet, our tiered provider network, includes thousands of Harvard Pilgrim’s participating doctors and clinicians, plus 184 hospitals, who have met Harvard Pilgrim’s high standards for providing quality care. Using national quality benchmarks, as well as plan medical expense information, we placed participating hospitals in Tier 1, Tier 2 or Tier 3. You will pay different cost sharing based on a provider’s assigned benefit tier.¹

If you have established relationships with certain doctors, you’ll want to find out what tiers they are in before receiving care from them. Just because doctors are affiliated with certain hospitals, it doesn’t mean that they’ll have the same tier level. To find your doctors’ tiers, use the provider search tool at [harvardpilgrim.org](https://www.harvardpilgrim.org) or call us at (800) 848-9995 for assistance. If you’re already a Harvard Pilgrim member, call (888) 333-4742.

¹ This plan includes a tiered network called ChoiceNet. In this plan, members pay different levels of cost sharing depending on the tier of the provider delivering a covered service or medical supply. A provider’s benefit tier may change annually on January 1. Please consult the Harvard Pilgrim ChoiceNet provider directory or visit the provider search tool at [harvardpilgrim.org](https://www.harvardpilgrim.org) to determine a provider’s tier in the ChoiceNet network. You also may call Harvard Pilgrim to request a paper copy of the provider directory be mailed to you at no charge.
